SHORTOFF COMMUNITY DEVELOPMENT ORGANIZATION SETS AUGUST 20TH DEADLINE FOR CONTEST

The Shortoff Community Development Organization met Wednesday, August 4, 1965, in the Shortoff Baptist Church, with Ed Talley, President, presiding at the meeting. Ranger Bob Padgett was in charge of the program at the end of the business meeting. He presented a program, comparing our own community with a Japanese community. He illustrated his talk with slides.

During the business meeting, Mr. Talley announced that the deadline for entering the Development Organization contest is September 1, 1965. This contest consists of different items in which an organization may enter such as roadside improvements and clean-up campaigns. These items are combined to make up credit points for each organization. These credit points are then considered in the judging of the Organization.

All members of the Shortoff Community are urged to send a list of improvements
