THE GRAY COTTAGE

On the corner of Fifth and Main, an interesting shop has been opened by Mrs. Jack Brockway. "The Gray Cottage," as the shop is called, specializes in delightful accessories for both the casual and formal home.

Mrs. Brockway stresses that the shop is not really just a gift shop, but rather it is more of a home accessories shop. She carries a large variety of towels, racks, and small accessories for the bathroom, and every other room in the house. She also carries handmade quilts, supplied by Mrs. F. E. Dendy, of Highlands, and hand-sewn afghans made by Mrs. Bowers, a friend of Mrs. Brockway. Mrs. Brockway has a varied selection of oil paintings, including some by Miss Kathy Wilson, of Jopland, Missouri.

Mrs. Brockway has done extensive lawn work this spring, and has situated benches throughout the grounds. She says that these are there for anyone who wishes to use them to sit and talk, or in her own words, ". . .to sit and visit, and wait for the mail."
