## SUBSTITUTES FOR GOD

BY REV. GROVER SEWELL

We have named our age many things. It has been called "The Age of Opportunity", "The Age of Science", "The Age of Anxiety" as well as numerous other designations. Please be patient with me if I suggest one more. I think it should be entitled, "The Age of Substitutes".

We substitute artificial sweetness for sugar, wigs for hair, lamps for sun, and many other things far too numerous to men-

tion in this brief column.

Certainly some of the substitutions are good, but there is one that is extremely bad, and yet so subtle that it is to be feared it is becoming rather common. The one that I have in mind is man's substitutes for God.

We can do this even with good intentions of worshipping, trusting, and serving God. How often we have heard someone give an excuse for attending the worship services of their church by becoming all misty eyed and pious toned as they tell of being so close to God as they

(CONTD. ON PAGE 22)

## Galax Theatre

Thur-Fri June 23-24  
Paul Newman-Laureen Bacall in

### "HARPER" IN COLOR

## RANDLE-ROGERS VOWS SPOKEN

Miss Jeanell Randle and Mr. T. L. Rogers were united in marriage at the Highlands Methodist Church on June 18 at 3:00 p.m. The Rev. Vance Davis performed the double-ring ceremony. The bride was given in marriage by Mr. P. L. Randle. Sister of the bride, Mrs. Michael Gilbert, was matron of honor. Mr. Lawrence Rambin was best man.

Music was provided by Wanda Hopper.

Out of town guests attending the wedding were Mr. and Mrs. P. L. Randle and Johnny Randle, of Alamo, Tenn.; Mr. and Mrs. Michael Gilbert, of Freemont, Nebraska; Mr. Lawrence Rambin, Miss Mary Agnes Many, and Mr. and Mrs. Schley Bowers, of Apopka, Fla.

The couple is now honeymooning at Broadway Gap on the Turtle Pond Road. They will live in Apopka, Fla.

## MOUNT SATULAH MEMORIES

BY ELLEN BURTON

Two years ago, upon invitation of friends, I joined a couple of rugged hikers to journey by foot up the stony, volcanic pathway to the top of "Queen of the Mountains" in the Highlands area, which is Mount Satulah.

The "King" naturally is Whiteside Mountain, to which one can drive to the summit, and a short walk on further to the tower. Old timers in these parts have bestowed the titles, "Queen" and "King" respectively. (Con't page 20)
