THE COUNTRY MOUSE

To the delight of many old friends, THE COUNTRY MOUSE SHOP has been re-opened, having recently been purchased by Mrs. L. M. (Connie) Hirsig. Although The Country Mouse, as it was, possessed an unusual charm, a charm seldom found in any commercial place of business, Mrs. Hirsig has and is finding it necessary to make many physical improvements, but always with an eye to retain the image of The Country Mouse as we all knew and loved the little shop. The Country Mouse is beautifully located on Lake Sequoyah, on U. S. 64, approximately two miles from Highlands with no road blocks to interfere, a large and adequate parking area directly in front of the shop, and an adjoining lot creating more parking space. Beyond this, a native stone wall has been added, and there are paved walks leading directly into the shop. Now, how about that for protecting Milady's shoes as she enters the shop with its beautiful soft, green wall-to-wall carpeting (No red carpet is being rolled out to greet you, as of yet, but wait! Stranger things have happened, and we shall see!)

Once inside the shop, what does one do? What else could one do but "ooh" and "ah" and "oh"!

So if you would have the oldest and the finest in antiques from yesteryear the newest and the prettiest in gifts for tomorrow come to The Country Mouse.

GALAX NEWS HAS NEW PART-TIME ASSISTANT

The staff of the GALAX NEWS has recently acquired a new part-time assistant, Mrs. Joe B. Morris. Mrs. Morris is of great help during the final mad rush before the paper is run off. Last-minute items require time-consuming chores which add to the confusion, so we extend to her a hearty welcome to the staff!

A graduate of Swain County High School in 1965, Mrs. Morris has had much experience in typing. She has been a resident of Highlands for the past year, since Mr. Morris has been stationed here as a highway patrolman.

ROTARY NEWS

The Rotarians held their regular meeting Tuesday, June 14, at 7:00 p.m. at the Highlander Restaurant. Twenty-four members and guests were present for the meeting.

The speaker for the evening was Dr. C. M. Tyre of Eustis, Fla. and Highlands. Dr. Tyre's subject was "Medical Hypnosis". Mr. and Mrs. Bill Zeller were his subjects to demonstrate the effectiveness of hypnotism.
