PRESBYTERIAN NEWS

The First Presbyterian Church welcomes all of our summer people to the worship services and other activities of the church. It is a hope that many of the summer residents will make this church their church during their stay. If you have any suggestions as to how we may serve you better please let us know.

The Session will meet Thursday evening, June 29, at 7:30 in the Education Building.

Circle number one of the Women of the Church will meet Wednesday, July 5, at the home of Mrs. Donald MacGregor. Circle number two will meet in the Education Building.

The Women of the Church are sponsoring a bake sale Saturday for the benefit of the hospital. The place of the sale is Mrs. Lyda Harcombe's real estate office on Main Street.

We will observe the Lord's Supper next Sunday at both of the morning services. All are invited to the Lord's Table who trust Jesus Christ as their Saviour and follow Him as their Lord. Let us remember that it is not optional for the Christian to take or not take of the Supper. The command of Jesus Christ is, "This do in remembrance of Me".

There will be two morning worship services through Sunday, September 3rd.

The hours of these services are 9 and 11. The Sunday School will remain on the regular 10 a.m. schedule.

The Youth Fellowship will be held each Monday evening at 8:00 p.m. during the summer months. Due to the large number of college people in our area, the Fellowship will include high school and college students during the summer months. The Education Building is the place of the meetings.

HUDSON LIBRARY MEETS

At a meeting of the membership of the Hudson Library on Monday afternoon, plans were discussed for the various benefits to be held this summer: a gem raffle, art show, and the Annual Silver Tea.

An announcement was made by the book committee that the Library is sponsoring a book shop which is opening on Friday, July 7. The book shop is located in the Harry Holt Real Estate office on Main Street, next to Bill's Soda Shop.

Every year the Library receives numerous gifts of books, many of which are duplicates of books on the Library shelves, and these along with others which have accumulated over a period of time will be offered to the public at a bargain price.

The proceeds from the sale will be used to purchase new books for the Library. Further details about the books shop will be in next week's GALAX NEWS.
