GALAX NEWS ENDS 16TH YEAR OF PUBLICATION

As we bring to a close the 1967 season, we would like to say "thank you" to all who have helped make our newspaper a

success. To our advertisers, readers, those who have given us news, and interested friends, we appreciate your help, and as the seasons come and go, we hope the GALAX NEWS will continue to bring the news to you each week during the summer season.

As we return to school, I to Brenau Academy in Gainesville, Ga., for my senior year, and Jessie, who has already left for Morningside School in Great Falls, Montana, to teach 6th grade, we take with us the memories of our summer job and the rewarding experience it has been.

We wish each of you a happy and prosperous year, and look forward to serving you next year.
