DEAD HEAT ON A MERRY-GO-ROUND

James Coburn, who proved so delightful in "Our Man Flint," is equally infectious and elightful in "Dead Heat on a Merry-Go-Round," playing at the GALAX THEATRE on Tuesday and Wednesday, Sept. 5-6. "Dead Heat on a Merry-Go-Round" presents the star as a con man extraordinary, a hard-working character who uses the proceeds of his various schemes to provide him with money for bigger and better operations; seemingly he never keeps any of it. Equally, he is a charming young man always capable of finding a girl to help him rob a bank; he never keeps any of the girls, either.

Co-starred in the Columbia Pictures release is Camilla Sparv who portrays the Boston girl he marries, and abandons when he makes a successful getaway with the loot from a major theft. Also co-starring are Camila Sparv, Aldo Ray, Nina Wayne, Robert Webber, and Todd Armstrong. In the course of his build-up for his spectacular bank robbery, Coburn assumes a wide variety of characterizations, all of them a pleasure to watch.
