METHODIST NEWS

Regular services are scheduled for Sunday. Church school 10 a.m. and Morning Worship 11 a.m. Sermon text comes from the Gospel of Matthew 5:38-42 "Turn the Cheek or Strike Back?"

The Children's Choir under the direction of Mrs. W. F. Harris has completed sewing of new choir robes to be dedicated during the morning worship on Sunday, August 17. To celebrate the completion of their robes and the progress of their group, these young people plan to enjoy a fun night at the church on Saturday evening, August 16, beginning at 6 p.m. Members of the Administrative Board have been issued invitations for supper and games and singing with these young people.

Ladies of the church (WCS) are grateful for Mrs. Julia Lake Kellersberger who presented the program at their monthly meeting this past Monday, August 11.

The Bible Study Group on the Sermon on the Mount meets for the second session this Thursday, August 21, at 9:30 a.m. in the church fellowship hall. Any interested person, not currently registered, should contact the pastor prior to this session.

NEWS FROM YOUR HOSPITAL

Every effort to secure the services of another doctor now that Dr. Oglesby is leaving Highlands is being made by Your Hospital, interested individuals, and others. Personal contacts are being made, letters are being written asking for help from doctors aware of the need here, Physician placement bureaus are being retained and just about every avenue known that provides assistance in this respect is being used. Highlands-Cashiers Communities offer a very fine location for a General Practitioner. Hospital facilities are unusual for an area like this and altogether there are many advantages to be offered the one or more who come. It is not an easy task that lies ahead of us..it is almost true that everywhere doctors of all kinds are being sought and so locating the right one will not be done in a minute or by just a phone call. It would be nice if some definite word could be published about this serious matter but at this time it is impossible to do this. When there is only one doctor here to care for the area, it behooves everyone to remember there is only one and to act accordingly. Doctors are people..just like all of us.. they get tired, they need sleep, they must eat and occasionally they have to rest..Soon the time when this is true will be here...and it would then be wonderful if everyone in this countryside would cooperate with Dr. Pate and allow her (CONTINUED ON PAGE 16)
