Georgia led the 16 synods in giving with \$151 per member. Knoxville led the 78 presbyteries with \$178.90. Knoxville also ranked first in budgeted gifts to General assembly causes, total budgeted benevolences and gifts to all benevolent causes.

The First Presbyterian Church, Highlands, ranked 56 in total giving in the 175 churches having a membership of 88-99. Our church ranked 13 in budgeted benevolences with a per capita giving of \$25.93. In total benevolences we were 15 with \$28.82 per member. We averaged \$100.21 in per capita in current expenses for a ranking of 58. In our total giving we ranked 56 with an average giving per member of \$132.40 which is slightly under the denomination's average.

We won't ask for any more news until next year after next week, so why don't you tell us everything you know????!!!
