(HOSPITAL NEWS, CONTINUED FROM PAGE 9)
in the work done in the laundry of the
hospital.

Seldom does a day pass that some
one, either patient or friend, of the
hospital does not present some small
but very helpful gift to the Hospital for
use here by either patient or employee.
It would take more space than is avail-
able to list such gifts given without
thought of receiving thanks or publicity.
This is really the test of whether a
person is loyal and concerned about Your
Hospital or whether it is just another
place in the community to the person.

WORK TO BEGIN ON CHAPEL OF THE ASTRONAUTS

Recent guest of Gen. and Mrs. J. B.
Medaris was Mr. Nils Schweizer, architect
for the Chapel of the Astronauts to be
built at Cape Kennedy in the near future.
Mr. Nils is a prodigee of Frank Lloyd
Wright.

General Medaris is president of
the Chapel of the Astronauts, Inc.,
which is a non-profit organization which
functions on funds from private capital
and personal donations.

The concept and purpose of the
Chapel follows:

"The Words of Genesis, as they were
relayed to earth-bound men on Christmas
Eve, voiced the faith of the Apollo 8
astronauts as they circled the moon -
further out into the infinity (CON'T P. 25)
