ART SHOW

The Original Silver Whistle will be the setting for a showing of the paintings and sketches of Joe Testa-Secca and the graphic artistry of Burton Talbott on Sunday, July 25. Music will be provided by the Recorder Quartet from Cullowhee.

Joe Testa-Secca has gained national recognition as a top-ranking artist and teacher. He is on the faculty of the University of Tampa and Instructor of Painting, Tampa Art Institute.

He has designed and executed mosaic wall panels, stained glass

windows and murals for many buildings, including the postoffice in Winter Park Florida; Florida State Fair Mural; a number of chapels and other public buildings. His paintings and sketches constitute an accurate barometer of a given period and Joe Testa-Secca, in his art, has made a succinct and meaningful comment for those who recognize what can be defined as a non-verifiable truth.

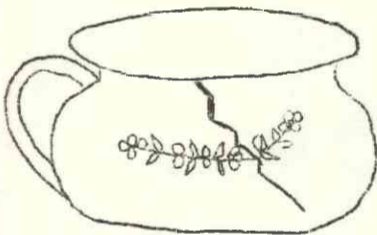

Mr. Talbott's compositions in photography are well-known to most of those in this area and to view one of his pictures is a real experience in the art of seeing into the essence of a subject. If a photographer could be said to make a line drawing with a camera, this is what Mr. Talbott does with the greatest accuracy and finesse.

LIBRARY TEA

The Hudson Library annual tea which was held at King's Inn July 14 was one of the most delightful events of the season. It was very well-attended and the informal but elegant atmosphere was enhanced by an art exhibit by Chuck Duck of The Silver Whistle.

Entertainment was provided by soft music and lovely models floating among the crowd gowned in the most opulent fashions of the Mary Norton Shop. Door prize, a beautiful silver coffee service, donated by Mr. Arthur Trock of the Highlands Art Gallery, was won by Mrs. Ralph Sargent.
