FIRE ON SATULAH

The Fire Department rushed two
trucks to the old Elliott home on Satulah
in response to a call last Tuesday after-
noon and extinguished a fire in one of
the upper bedrooms. The fire was caused-
by a defective extension cord. Some fur-
niture was destroyed, but the damage was
slight due to the prompt action of the
Fire Department. Neighbors, whose phone
was used to call in the alarm, said it
was amazing how fast the Fire Department
got to the scene and how efficiently they
handled the situation.
