## "THE BOY FRIEND" OPENS AT HCT

The charming 1920's musical of "The Boy Friend" opens tonight at the Highlands Community Theatre with a cast of sixteen singer-dancer-actors under the direction of Michael Hall, musical director David Hagan and choreographer Alice Haig.

Perfect musical entertainment for the entire family, "The Boy Friend" has been a successful vehicle for such well- (CON'T ON PAGE 13)

## DR. HOWELL HONORED

Dr. Thelma Howell, who for 26 years has been Executive Director of the Highlands Biological Station, was presented with a special Citation by the Trustees at the 44th Annual Meeting of the Corporation in Highlands on Sunday.

The Citation pointed out that for all these years Dr. Howell "has been the driving force and principal guiding hand of the Station." It was mentioned that during her Directorship the Station has added Laboratory buildings and dormitories. The co-operating and contributing (CON'T ON PAGE 13)

HIGHLANDS AND THE 5 SENSES  
BY BESS HINES HARKINS

"Why is it that the poets tell so little of the sense of smell..?  
I don't know the answer to that, but here is one poet who is thoroughly enjoying her sense of smell. How could it be otherwise when one is in Highlands?  
As I sit by an open window writing this, it is raining on the green, green mountain jungle. Thunder rumbles beyond Satulah and a light rainwind stirs the leaves, revealing their silver undersides like a school of minnows in the moonlight. (CONT. ON PAGE 11)
