DR. BAUMRUCKER TO ARRIVE

Word has been received from the office of Senator Strom Thurmond that Dr. John F. Baumrucker has been declared essential for this area by the U.S. Selective Service. This means that Dr. Baumrucker will now begin practice here as scheduled, August 1, 1971. Dr. Baumrucker's office will be located in the building with C.T. Mangum,

Jack Calloway, Hospital Administrator, would like to express appreciation to the individuals and civic groups who wrote letters to the North Carolina Medical Advisory Committee, on behalf of Dr. Baumrucker. Mr. Calloway reports that Senator B. Everett Jordan, Congressman Roy A. Taylor and Senator Thurmond were most helpful with suggestions and writing letters to the proper authorities in Washington, D.C. Without the help of the three Congressmen, it is likely that Dr. Baumrucker would not have been declared essential for this area.
