HOSPITAL NEWS

The Doctors of the Highlands-Cashiers Community have offered their time and experience to acquaint the people of the area in various aspects of Health Care, by means of several public forums.

Our Doctors plan to hold panel discussions on:

1. Prevention and Treatment of Heart Disease
2. Emergency Treatment
3. Babies in our Hospital

The first discussion will be held at 8:00 o'clock, Monday July 26, 1971 in the Hospital Recreation Room.

If there is sufficient interest in these discussions, one will be planned for the Cashiers Valley Community Center at a later date.

All persons interested in obtaining information regarding the treatment and especially the prevention of Heart Attacks and other forms of Heart Disease are cordially invited to attend these discussions. Questions will be invited from the audience.

Discussions on Emergency Treatment and Babies will be planned for the near future.

At the Meeting held at the Hospital Monday night, July 19, a number of interesting and constructive suggestions were made.

In addition to the names listed in the papers last week, Rev. Julian Aldridge, Mr. Ralph Deville, Mr. Dave Forrester, Mrs. Marvin Fowler, Mr. Marvin Fowler, Mrs. Ann Holt, Mr. V.W. McCall, Mr. Bud Potts, Mr. George J. Stewart and Mr. Vic Wood have agreed to serve on this committee.

The next meeting of the Fund Drive Committee will be held at the Hospital at 8:00 P.M. Monday, August 2nd., and additional prospective members are urgently invited to attend. A master list of all donors to the 1970 Fund Drive is available at the Hospital and each Fund Drive member is urged to contact others.
