FASHION SHOW A TRADITION

Sociologists say that people who live in the southern region of the Appalachian Mountains live in a society which is based largely on tradition thus events like the Fashion Show and Ball co-sponsored annually by King's Inn and the Mary Norton House of Fashion are easily adopted and become a part of our culture. This annual event is one of the few occasions which involves all the many types of people found in the cosmopolitan world of Highlands. All people are involved because (Continued on pg.16)
