

MISS RICHERT DEATH TOLD

Miss Margeriet L. Richert, 66, a neice of Mrs. Helen Edwards of Highlands, died Friday in Muscogee, Okla.

She was a registered nurse and served as a captain in the U.S. Nurses Corps during World War II. At the time of her retirement, she was working in the Veteran's Administration Hospital in Muscogee.

Survivors include a brother, Joseph C. Richert of Raleigh and another aunt, Mrs. Georgia Cochrane of Portland, Ore.

Graveside services were held at 2 p.m. Monday in Highlands Memorial Park, with the Rev. Ray Barfield officiating.

The body was at Bryant's Funeral Home Chapel in Highlands until the service.

PRESBYTERIAN NEWS

The congregation of the First Presbyterian Church looks forward to a family night supper on Wednesday August 18 at 6:30 PM. Instead of the usual Wednesday night Bible study and prayer meeting, we will have a Billy Graham film, "World's Fair Encounter."

In this film, you will visit the four corners of the world as you see enchanting pavilions at the New York World's Fair. The story climaxes in the Billy Graham Pavilion where two young people come to a personal relationship with Jesus Christ.

Come enjoy an evening of Christian fellowship over a meal, and then this entertaining and inspiring movie.

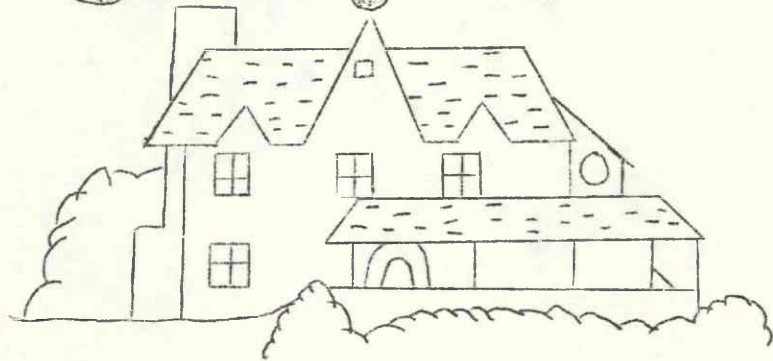

DR. SARGENT TO LECTURE

This week's lecture at the Museum of Natural History will be the final evening program of the season. The illustrated talk, "John and William Bartram, Early American Plant Explorers; with Special Attention to the Southern Appalachians", will be given by Dr. Ralph M. Sargent. Dr. Sargent, who has maintained a summer home in Highlands for many years, is a noted botanist and has traced the route of William Bartram through the Blue Ridge, particularly here in Macon county. He has photographed the scenes and plants mentioned by Bartram and quotes what Bartram had to say about the places and plants in this area as he presents the pictures.

Dr. Sargent, who is President of the Philadelphia Botanical Club, gave this illustrated talk at the Museum four years ago and has presented it to other groups; among which are the Wildflower Pilgrimage in the Smokies, and Ford Forum in Dearborn, Michigan, the Pennsylvania Horticultural Society and at Duke University.

Dr. Sargent's illustrated lecture is being given for the benefit of the Museum and there will be a \$1.00 donation asked. The time is 8:30 P.M. on Wednesday, August 18.

Also on August 18 at 9:00 A.M. there will be a botany hike up Satulah mountain led by Mr. C.H. Ekdahl. Persons going on this hike will meet at the Museum and pool cars to drive to Satulah. (CON'T -10)
