

HOSPITAL NEWS

Work is now in progress on a rock garden beside the Highlands-Cashiers Hospital. This lovely garden will be for the enjoyment of employees, patients, and visitors.

Mrs. Sarah Ross of Highlands and Palm Beach conceived the idea for the garden. She felt that the unused area beside the Hospital would be an ideal spot since many patients, who are not able to be taken outside, can still enjoy the scenery from their windows. The idea impressed her so much that she asked permission to build the garden at her own expense. Mrs. Ross's wish is being carried out with the help of Mrs. Edmond Cluett of the Highlands-Cashiers Garden Club, who is providing ideas and suggestions for the actual construction.

The garden will contain evergreens, early and late blooming annuals, and a variety of summer plants. There will be a flagstone walk leading to a patio with tables and chairs so that mobile patients can enjoy the sunshine as well as the beauty of the garden.

The Board of Trustees of the Highlands-Cashiers Hospital has planned a meeting to be held Monday evening, August 30th at 8 p.m. in the Highlands School cafeteria. This meeting is planned for the benefit of all residents of the Highlands-Cashiers area.

The purpose of the meeting is to give the Board of Trustees of Highlands Cashiers Hospital a chance to explain in detail the operation of the Hospital for the past year. This meeting will also provide an opportunity for the citizens of the Highlands-Cashiers area to ask any questions concerning the operation of our Hospital. The Board of Trustees is hoping for an exceptionally good turnout at this meeting so that the public will be better informed as to the problems involved in trying to provide quality medical care for out communities.

The Board of Trustees of Highlands-Cashiers Hospital is pleased to announce the selection of Mr. Walter Wilson as a member of the Board to fill the unexpired term created by the resignation of Mr. H.L. Wilson.

Mr. Wilson is a native Highlander, having served as a barber in Highlands for a number of years before going into business for himself. He now operates a saw mill in Clayton, Georgia and also cuts timber in this area. Mr. Wilson has long been active in civic affairs. He is a member of the Order of Eastern Star in Highlands and also the Masonic Lodge. He is married to the former Lucille Nix and they have one daughter. Mr. Wilson is a member of the Clear Creek Baptist Church.

The Board of Trustees is extremely pleased to have someone of Mr. Wilson's ability to serve as a Trustee.
