## SCHOOL REGISTRATION TOMORROW

### "NATALIE NEEDS A NIGHTY" AT HCT

The whole family will laugh and have fun when they go see "Natalie Needs A Nighty", opening tonight at the Highlands Community Theatre for a four day run. This hilarious, side-splitting comedy is being presented for the benefit of the Highlands Recreation Fund to start Phase 1 of the proposed Park project (CON'T ON PAGE 8)

Don't forget kids, tomorrow, August 27, is Registration Day at school - so be there with bells on! School doesn't start until Monday, August 30, so you will have one last weekend to do all those things you haven't gotten around to all summer.

## ARTS AND CRAFTS FESTIVAL TODAY

The Highlands recreation park will be the scene of the first annual Mountain Arts and Crafts Festival today. Featured will be local artists and craftsmen of Macon and Jackson County. The festival will begin at 9:00 a.m. and will last through the evening. It is hoped that everyone will attend the festivities.

## COLLIN WILCOX-HORNE, LOCAL GIRL STARS IN "THE BABY MAKER"

Collin Wilcox-Horne was director James Bridges personal choice for the role of "Suzanne Wilcox" in National General pictures release "The Baby Maker" from the day he started writing his script. Indeed, Bridges allows he had the talented blonde actress and her family in mind when he first conceived the basic idea for "The Baby Maker".

## CLEAR CUTTING OF TIMBER

BY MALVINA TRUSSELL

Edmund Burke, the British statesman who lived more than two hundred years ago, said; "All that is necessary for the forces of evil to win in the world is for enough good men to do nothing." I would like to paraphrase this statement by Burke and say: All that is necessary for the destruction of our natural environment is for enough thinking men and women to do nothing.

It is easy to blame someone else
