### PRESBYTERIAN NEWS

The First Presbyterian Church will celebrate the Lord's Supper Sunday, Sept. 5th at the regular 11:00 AM service.

We join with the Doyle Calloways in dedicating their daughter, Margaret Betts, to the Lord Jesus Christ through the sacrament of Baptism.

The new time for Wenesday evening prayer meeting is 7:30 PM. This will give us a little intermission between prayer meeting and choir practice.

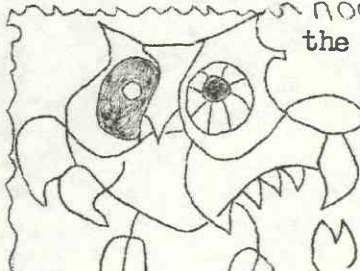

The Session voted increased support to the Montreat-Anderson College in the light of the recent stand taken by the school. You are invited to participate in the contributions if you are so led.

The friends of Dr. L. Nelson Bell will note with interest his resignation from the Presbyterian Journal. The circumstances are in the Sept. 1 Journal

### HOSPITAL NEWS (Continued from page 5)

One of the most difficult jobs in this hospital is that of the Administrator. He must look after the business end of the operation, supervise the housekeeping department - the maintenance of the plant, the kitchen. He must keep an eye on the Medical Staff to make sure the doctors complete patients' records promptly - otherwise we're in for more trouble with Medicare; he must see that the nursing staff is happy. He has to know about Medicare and all forms of Hospital Insurance and Labor Laws. In addition to all this, he has to try to satisfy the Board of Trustees and keep the doctors happy. We are fortunate in having a very capable administrator in Jack Calloway. He is doing an excellent job for the community. Now he will tell you about the Hospital Plan and Operation. Thank you.
