ONE DOLLAR A YEAR, IN ADVANCE.

OFFICIAL CALL.

For the Democratic State Convention in Raleigh, May 18th.

RALEIGH, N. C., Mar. 10th.

To the Voters of North Carolina:—At a meeting of the State Democratic Executive Committee held in this city on the 2nd inst. it was resolved that the next State Convention should be held in the city of Raleigh on the 18th day of May, 1892, at 11 o'clock a. m.

It will devolve on this Convention to nominate candidates for Governor, Lieutenant Governor, Secretary of State, Treasurer, Auditor, Attorney General and Superintendent of Public Instruction, to elect four delegates at large and four alternates to the National Democratic Convention to be held at Chicago, June 22nd, 1892, to nominate two candidates for electors-at-large; to adopt a platform of principles and to transact such other business as may properly come before it.

In all cases where the Congressional Conventions have not been held previously the delegates to this convention from each Congressional District will choose two delegates and two alternates to the National Democratic Convention and report their names to the State Convention.

There has been for some time a firmly rooted idea among the people that some system should be adopted by which minorities in the various counties should have their proportionate voice in all State and District conventions, and, in deference to the fair and just sentiment, the committee, while realizing that it had no power to add to or vary the "Plan of Organization" as adopted by the last State convention and bind the people to its observance, unanimously recommended to all county conventions the following rule, and earnestly requests that it be observed, viz.: "In all county conventions in which delegates shall be selected to attend any State, Congressional, Judicial or other convention a vote shall be taken in accordance with the plan of organization as to the candidates whose names may be presented to such County convention. The delegates shall be selected from the friends and supporters of each candidate voted for in proportion to the number of votes he shall receive in such county convention, and no other instructions shall be given; provided, that where only one candidate is presented and voted for at such county convention it shall be lawful to instruct for such candidate."

It is urged that all county conventions shall, at the same time they select delegates to this convention, elect a county executive committee to serve during the coming campaign. This action is essential to perfect organization and enables the chairman of the State committee to at once put himself in touch with the county chairman.

All township and county conventions should be held at such times and places as will afford to each member of the party an opportunity for full and fair discussion. It is essential to success that animosities should not be engendered or dissensions fostered, and no one should be given even the semblance of an excuse for refusing to support the Democratic party, the supremacy of which is so necessary to secure good government and an honest administration of public affairs. To deviate now is to turn over the State to the enemy. Let us stand together as in the past and thus perpetuate the rule or the Anglo-Saxon.

Ed. Chambers Smith, Ch'm.
B. C. Beckwith, Secretary.

Hon. Julian S. Carr, of Durham, at the earnest solicitation of his many friends, has consented to allow his name to go before the Democratic State Convention, for the honorable position of Governor. Mr. Carr, will make a fine executive officer and the Alliance can support him. Mr. Carr, is a young man and will make a governor that the people will be proud of.

Ex-Judge John A. Gilmer, of Greensboro, died in that city on March 17th. He had been ill for some time. He was a gallant Confederate officer. Peace to his ashes.

Tariff is the subject now being discussed in the House of Representatives. They are now discussing free wool.

GENERAL NEWS.

A great many infant industries are amply able to care for themselves and the old folks too.

During leap year it is woman's province to adopt the rightful function of the office and seek the man.

The Washington Post says it will soon be in order to change the name of the Third party to the tired party.

A convention of Postmasters is in session at Washington. They must be expecting a change of administration.

The State of Kentucky proposes to make her appropriation of \$500,000 for the World's Fair contingent on Sunday closing.

Signs of spring multiply. Wild ducks have been flying northward and a little robbing has been detected in the council chamber.

Grover Cleveland is out in an open letter announcing himself a candidate for the Presidency. It is impossible just now to tell who the candidate will be. We are for the man that can win.

We have no room for a Third Party in this state, or in the South. When our people go back on the Democratic Party in the South, all is lost. Two parties in the South are sufficient.

A Washington special of March 11th, says: In an interview to-day with a representative of the National Democrat, Col. Polk, president of the National Alliance, declared unequivocally for the third party movement. He said that he expected to be nominated for Vice-President at the Omaha convention in July.

OBITUARY.

Died at Mt. Nebo, Yadkin Co., N. C., on the 29th of February 1892, C. R. Ireland, aged 26 years, 5 months and 18 days. His remains were interred with Masonic honors, by his brethren of Rockford lodge, assisted by other Lodges. The religious services were conducted by Rev. M. H. Long.

A committee was appointed, by the Lodge, to draft resolutions. The following was submitted: Resolved—That in the walks of life Bro. Ireland was a good citizen, a kind husband and father, and an honorable member of our fraternity. That we hereby tender our sympathies to the bereaved family, and commend them to the God of the Universe for consolation. Also resolved, that a copy of these resolutions be spread upon the minutes, a copy sent to the widow, and a copy sent to the Elkin Courier, with the request to publish.

To Young Men.

Young man, look up, be somebody, stop that drinking, you are debasing your mind, destroying your intellect, blasting your hope of success and breaking the heart of your mother. Yes, be somebody, you might be a nation's pride and a mother's joy, if you only would. Don't grovel in drunkenness and dissipation.

—The Misses Dougherty, who have been on a prolonged visit to relatives in Greensboro and Charlotte, have returned to their home again, looking much refreshed from their pleasant recreation. We are happy to welcome them home again. Miss Sallie begins school again—and we hope she will obtain many patrons. She deserves much credit in this line, for her untiring energy in improving the "young idea." Miss Rocinda is her music teacher and never fails to give satisfaction to her patrons.

—The second quarterly meeting for the year was held on Saturday and Sunday, and we were the recipients of some most excellent sermons from our beloved elder. Indeed, I think we have been greatly blessed with good sermons this month—as on the night of the first Sabbath we heard a splendid discourse by our pastor in charge. Surely such efforts with such powerful weapons will do much good in the battle for the army of the Lord. Let us all strive to profit by the great lessons taught us by our spiritual pastors and masters.

The trouble with most cough medicines is that they spoil the appetite, weaken digestion, and create bile. Ayer's Cherry Pectoral, on the contrary, while it gives immediate relief, assists rather than impairs the assimilative process.

A Bad Cold

If not speedily relieved, may lead to serious issues. Where there is difficulty of breathing, expectation, or soreness of the throat and bronchial tubes, with a constantly irritating cough, the very best remedy is Ayer's Cherry Pectoral. It removes the phlegm, soothes irritation, stops coughing, and induces repose. As an emergency medicine, Ayer's Cherry Pectoral should be in every household.

"There is nothing better for coughs than Ayer's Cherry Pectoral. I use no other preparation."—Annie S. Butler, 169 Pond St., Providence, R. I.
"I suffered severely from bronchitis; but was

CURED BY

Ayer's Cherry Pectoral. It saved my life."—Geo. B. Hunter, Goose River, N. S.
"About a year ago I took the worst cold that ever a man had, followed by a terrible cough. The best medical aid was of no avail. At last I began to spit blood, when it was supposed to be all over with me. Every remedy failed, till a neighbor recommended Ayer's Cherry Pectoral. I took half a teaspoonful of this medicine, three times a day, regularly, and very soon began to improve. My cough left me, my sleep was undisturbed, my appetite returned, my emaciated limbs gained flesh and strength and, today, thanks to the Pectoral, I am a well man."—H. A. Bean, 28 Winter St., Lawrence, Mass.
