STUDENTS FINISH PRACTICE TEACHING

The forty students of this year's graduating class, who were doing practice teaching at the various city schools, have completed the required amount of work to receive their teaching certificates. These seniors have been well instructed in the art of teaching by Mr. Chappel, principal of the Charles L. Coon High School, and are now ready for positions in the various North Carolina schools.

More than half of these students have prepared themselves for teaching grammar grades, and have been especially instructed in the care and problems of small children.

The others in this group are prepared to teach the various high school subjects that are taught in the schools of North Carolina.

A new grandstand for the athletic field at Catawba College will soon be built to replace the wooden structure now in use. The new stand will be of steel on a concrete base with wooden seats and walkways, seating more than 2,000.

Amos Dawson's feat of pitching a doubleheader against Guilford brings to mind the exploits of Aubrey Kavanaugh, former star Bull Dog hurler, two years ago. Kavanaugh twice pulled the "iron man" stunt—once against High Point and once against High Point. He lost both games in Catawba. He lost both games to the second by 5-4. The Bull Dogs were leading 4-3 with two men away and the second game when two errors and a hit lost him the game. He fared better against Catawba, winning the second game, 4-3. "Kavy" was hit hard in the opener and was beaten rather badly, but he asked for the chance of pitching the second game also, saying that he was just getting warmed up. For six innings he pitched no-hit, no-run ball; then he weakened but managed to last through a 4-3 win.

The Bull Dog baseball outfit now has a record of two wins against three losses. Incidentally, this is the best showing of any A. C. C. diamond team in recent years at this time in the season. Dawson and Jernigan have taken care of the pitching admirably. Hayes is fast developing into a first class receiver; Barnes has been a real spark-plug in the infield; Cockerell is covering alot of territory in the outfield and Mitchell, Mallison, Winstead, Lewis, Lynch, and the others have played good baseball. Hitting seems to be the biggest weakness. The Bull Dogs have scored but ten runs in five games.

April 20 and 21, the A.C.C. tennis team will play at Catawba and High Point, respectively. The net team opened its season with a fairly impressive 4-3 victory over Appalachian State last Monday. The netters will play ten or twelve more matches, meeting High Point, Catawba, Appalachian, W. C. T. C., Lenoir-Rhyne, Guilford, Lenoir-Rhyne (return), and Louisburg, in the order named. Barring accidents the tennis team should go through the season undefeated.

The Elon Christians downed Guilford's Quakers 2-1 in their annual Eastern Monday diamond classic when Cheek, Elon first baseman, doubled with the score tied and one man on base in the ninth inning. On the same day E. C. T. was beating the High Point baseball crew at New Bern 5-3.

BULL DOG NETTERS DEFEAT APPALACHIAN

Wilson, April 13.—The Atlantic Christian College tennis team opened its campaign toward the North State Championship here April 13 by taking a hard fought 4-3 victory over Appalachian State. The matches were close and the outcome was in doubt until the final doubles of the day between Barnes and Cunningham and Parsons and Teachers—the Bull Dog combination winning in straight sets to clinch the victory.

Dawson, Bull Dog ace, defeated Sawyer after three closely contested sets; Barnes downed Thornberg in another three set match, and Deans topped Nesbitt in straight sets for the other Bull Dog points.

The Bull Dogs will hit the road for a two day trip Monday and Tuesday, meeting Catawba and High Point on successive days.

The summary: Dawson (A.C.C.) defeated Sawyer (Appalachian) 3-6, 6-3, 6-4. Wilkins (Appalachian) defeated Cunningham (A.C.C.) 7-5, 6-2. Barnes (A. C. C.) defeated Thornberg (Appalachian) 6-1, 3-6, 6-1. Parsons (Appalachian) defeated Hudson (A. C. C.) 8-6, 0-6, 8-6. Deans (A. C. C.) defeated Nesbitt (Appalachian) 6-3, 7-5. Sawyer (A.C.C.) defeated Dawson and Hudson (A. C. C.) 6-3, 9-6, 6-3. Cunningham and Barnes (A.C.C.) defeated Thornberg and Parsons (Appalachian) 6-3, 6-3.

FOR DIGESTION'S SAKE ... SMOKE CAMELS

Smokers Find Camels Help Digestion to Proceed Smoothly

Good digestion makes life more cheerful and enjoyable. Noise, worry, hurry, strain, and mental effort slow down the digestive process—the flow of essential digestive fluids is retarded.

Camels are a positive aid in relieving the effects of high-pressure living. Science and common experience are in accord that smoking a Camel is a pleasant and effective way to assist digestion. For Camels increase the flow of digestive fluids. And Camels are so mild that you can smoke all you want and they never get on your nerves.

METHOD USED. Scientist working with marvelously delicate instruments measures accurately the increase in the flow of the digestive fluids caused by smoking Camels.

664 PARACHUTE JUMPS—the amazing record of Joe Crane. He says: "It's just natural for me to turn to Camels for digestion's sake. They give me a feeling of well-being."

MENTAL ACTIVITY tends to slow up the flow of the natural digestive secretions. Camels with meals and between meals help to restore normal activity. Camels set you right!

AT THE MAYFAIR ROOM of the Book-Cadillac Hotel in Detroit, Camels are outstandingly popular. The fine tobaccos of Camels, their delightful flavor and "lift," are a natural complement to perfect dining. Paul Fischer, who adds a pleasing personal welcome to this smart and exclusive setting, has observed that Camels are the favorite here. "A glance around our tables," he says, "proves that those who appreciate quality have made Camels their choice."
