STUDENT WORK IS ORGANIZED BY EUREKA PLAN

SUPERVISORS AT WORK

Program Instituted To Aid Students In Attending School.

This year, 1937-38, makes the fourth year that the Eureka System of help to students has been used at Atlantic Christian College.

Since this plan was adopted at Atlantic Christian College, the students do all the college work except cooking, which is done by negro cooks under the supervision of the dietitian...

The Eureka plan has been very successful at A. C. College. It has helped many students who would otherwise have been unable to attend an institution of higher learning without aid.

Enrollment Statistics

Student Body Comes From Wide Areas.

The enrollment of students this year is one of the largest in the history of Atlantic Christian college.

The students hail from twenty-nine different counties in North Carolina and from a total of six additional states.

YEAR BEGINS SEPT. 2ND

Dr. Jarman Welcomes First Year Men and Women To College Campus.

A. C. College began the school year 1937-38 with the entrance of the Class of 1941 on Thursday, September 2, 1937.

The freshmen entered the College domain Thursday. They were met and shown around the campus by a few old students who returned for that purpose.

On Friday morning the students were given a psychological test as required by state regulation.

Friday afternoon the freshmen met in the gym and they were divided into three groups.

These societies met together every Monday night and each group gave regularly two programs a month.

The Y. M. C. A. is the one organization on the College campus that is servant to the student body.

Each officer has returned with new ideas and new enthusiasm for the growth of the Y.M.C.A. It is the prayer and deep desire of each one that the Y.M.C.A. can
