By JOHN "SMALLFRY" DAIL

Now that the baseball games are played and the college season has closed, we take off our hats to Coach Herring and his team. Under his leadership, our college team has won three baseball games and tied one; a record that triples the number of wins in the previous two seasons combined. Keep up the good work Coach. You have a winning team.

The new lettermen on the baseball team will be awarded letters in chapel before long. Those who are to receive monograms are: Edward "Lefty" Kirby, pitcher; Joe Laughinghouse, pitcher; Albert Outlaw, pitcher; Elbert Moyer, pitcher; C. B. Johnson, catcher and outfielder; Vermelle Boykin, catcher; Marion Lassiter, first-baseman; Ransom "Shorty" Lucas, second baseman; Joseph Windley, third baseman; Kendrick Taylor, third baseman; Maynard "Mutt" Gardner, shortstop; Braxton Newman, Glen "Pee Wee" Holmes, and Irving Lynch, outfielders; and Ralph Conyers, manager.

The tennis letters will also be awarded in chapel. Those players receiving letters will be Archie Daniels, C. F. Pilley, Lenox Rawlings, Wallace Sutton, Herbert White and Robert Windham. The tennis team had an unsuccessful season this year. Here's hoping we will have a winning team next year. With the awarding of new letters will come the A-club stag. All the new pledges will be invited out to the Dixie Inn for a big supper of barbecue and all the fixin's.

The annual intramural track meet was held on the baseball field. In the 100-yard dash Frank Wiley was first; Braxton Newman was second; Edgar Whitford, third; and A. C. Holloman, fourth. In the 200-yard dash Frank Wiley ran first; Braxton Newman ran second and Edgar Whitford ran third. In the 440-yard dash Braxton Newman led the pace with Frank Wiley and A. C. Holloman following, respectively.

Braxton Newman succeeded in throwing the discus farther than any of the other competitors. Frank Wiley was second and A. C. Holloman third. A. C. Holloman was the highest jumper with Neil Windham and Braxton Newman second and third, in order named. In the broad jump contest A. C. Holloman was first; Neal Windham, second; Braxton Newman, third; and Frank Wiley, fourth. In the baseball throw, the winners came in the order named—Braxton Newman, A. C. Holloman and Frank Wiley.

Under the points system, Newman received 23 points; Frank Wiley, 20 1-2 points; A. C. Holloman, 18 points; Edgar Whitford, 8 1-2 points, and Neal Windham 6 points.

I sincerely hope that you like the new columnist and column. With your help I will try to put out a better sports column than has been published yet.

New Officers Elected

On May 3, the entire Women's Athletic Association met to elect its new officers. The new officers are as follows:

President: Jessie Wilson Daniel, who succeeds Selma Arner, Wilson.

Vice-president: Jacqueline Daniel, Wilson, who succeeds Evelyn Willis, Black Creek.

Secretary: Irma Lee Spencer, Kinston, who succeeds Agnes Futrell, Wilson.

Treasurer: Rachel Glover, Wilson, who succeeds Jessie Daniel, Wilson.

For class sports leaders, the old and new presidents with the help of the physical education director, have selected the following girls:

Junior-Senior leader: Selma Arner, Wilson, who succeeds Dorothy Rouse, Kinston.

Sophomore leader: Ola Mae Kelly, Pfafftown, who succeeds Mary Frances Bishop, Wilson.

The Freshman Class leaders will be selected at the beginning of next year.

Juniors-Seniors Trounce A. B. Frosh in Opener

In a very one-sided game, the Frosh went down under the terrific hitting of the upperclassmen. Mary Ella Clark, Senior pitcher, held the Frosh to four runs. The victors chalked up a total of twenty-three runs. Very few people were struck out in the game, but a dozen or more home runs were made by the Seniors.

Juniors-Seniors Triumph Again

Trailing behind by seven runs, the Juniors and Seniors went on a hitting spree during the last inning to win again by a score of 22 to 18. This time the Sophs were the losers. The game was a thriller from beginning to end, and a peculiar one at that; for until the last inning the upper-classmen had a regular team, but were losing. However, when the last inning came around, five of its players—some tired, others sore—left the ball game. And then, with only five players, proceeded to win the game.

Commercials Wallop Juniors-Seniors

After sailing along with two victories, the Juniors-Seniors met the Commercial team, and were defeated with a 22 to 18 score. It was a battle of pitchers—Loree Strickland of the Commercials and "Home Run" Mary Ella Clark of the Juniors-Seniors.

A. B. Frosh Top Commercials

In a hotly contested game, the A. B. Frosh defeated the Commercials 17 to 16. Although the Commercials claim that the victory is theirs the score shows 17 on the Frosh's side.

Commercials Forfeit to Sophs

By forfeiting to the Sophs the Commercials lost all chances of winning the softball championship.

Juniors-Seniors Tie A. B. Frosh for Softball Championship

The softball series ended with the Junior-Senior team having two wins and one loss to their credit; and the A. B. Frosh with two wins and one loss by default. So these two teams will have to play again to decide the championship.

Croquet Tournament Begins

The final week of athletics has begun with the croquet tournament. A large number of girls have been paired off, and the tournament is now in the preliminary stage. As soon as this is over, numerous awards will be awarded.

Important Amendment in Constitution

Through unanimous decision, the W. A. A. has voted to award 25 points to each girl participating in May Day Dances. It is hoped that this will encourage more girls to participate in the annual May Day exercises, and also to serve as a small reward for their efforts.

And thus ends another year of Athletics for women. In my estimation, the most successful one yet. As I say "Au Revoir", I want to wish the best of luck to next year's officers and to the new and old members of the Women's Athletic Association.

Rogers and Lynch The Only Bulldog Athletes Finishing

Both Stars During College Career—Lynch in Baseball; Rogers in Basketball

JAMES "RED" ROGERS

IRVING LYNCH

The Bulldog teams for the year of 39-40 will see two familiar faces missing from the lineup. We are lucky in the fact that only two of our athletes are graduating, but both of them, stars in their own field, will be greatly missed. James (Red) Rogers, a star basketball player for the last four years, and Irving Lynch, one of the college's baseball greats, will receive their diplomas at the annual commencement May 29th.

"Red", as we all know him, matriculated in the fall of 1935. He came from Rose Hill, N. C., where he had starred in basketball and baseball for four years. His first year in college he earned a regular guard spot on the Bulldog basketball team, and played sensationally the whole season, gaining a spot on the All-Conference team. His second year was a repetition of the first as far as play was concerned, but this year he failed to place on the All-Conference. For his junior year the team honored him by electing him captain. During this year his play was again sensational, until injuries beset him in the form of a broken ankle about half way through the schedule. Red missed most of the rest of the season and the team seemed to lack that certain punch without him in the lineup. His senior year was practically a repetition of the year before. Red returned to the lineup to start the season but again the injury jinx overtook him and kept him on the bench much of the time. Because of his irregu-

lar playing his game was not of the calibre of former years but Red wound up his college career with a stellar performance against ECTC. Red confined his athletic career to basketball while in college, although for three years in a row he copped the intramural track meet which is held every spring. This year he did not compete in the annual event because of the old ankle injury.

Irving Lynch came here to the college from Wendell, N. C., in the fall of 1935. In high school he had starred in football and baseball. When candidates reported for baseball in the spring, Irving reported as a pitcher. On account of his powerful hitting, however, he was transferred to first base, where he played about half of the games. In his sophomore year he transferred to first base to stay, and turned in some stellar performances both afield and at the bat. His junior year was spent in the outfield and at first base. This year his batting average fell off a few points, but again his power hitting kept the Bulldogs in a lot of games. The team selected him as captain for his senior year, and during this year he played the best ball of his college career. At the plate he was always a threat to opposing pitchers and in the field he turned in some spectacular catches.

Both of these graduating athletes have written their names in the sports annals of Atlantic Christian and they will be missed in the coming seasons.

Bulldogs Whip Pirates In Hot Battle

Gardner's 4-Run Homer Tops 6 Run Burst

OUTLAW WINS

A belated ninth inning rally, featured by a circuit smash by Gardner, shortstop, with the bases loaded, gained a 10 to 9 victory for the Atlantic Christian College Bulldogs over the East Carolina Teachers College nine at Greenville Saturday afternoon.

With two men away, and the Teachers holding an 8-4 lead, Willie Phillips walked the bases full and walked in a run in the ninth. Ed Wells replaced Phillips on the mound and was greeted by Gardner's home run blast. Brack Newman added the winning run, when Catcher Floyd Hinton tossed a throw over third.

Bill Shelton led the losers, with two triples and a single. Ransom Lucas and Joe Windley each had two hits for the Bulldogs.

Bulldogs Gain Bo-Hun-Kus Trophy

because of the victory that the baseball team scored against the Pirates. Next year the bucket will be on display at each athletic contest and the winning team will take the bucket. The possession of the bucket is not based on the number of wins for each team in that season, but the winning team in each contest takes the trophy.

The bucket itself is a common wooden bucket. One side is painted in the colors of the Pirates, purple and gold, and the other is painted in the colors of the Bulldogs, blue and white. On the Pirate side there is painted a picture of a Pirate and the Bulldog reigns on the blue and white side. There are four sports listed on each side—basketball, boxing, tennis and baseball. Under each is painted the victories for the winning team, the score of the event

and the year. At present ECTC has three victories and one tie to their credit, one in basketball, two in tennis, and the tie is in baseball. The Bulldog side lists four victories, one in basketball, two in boxing, and one in baseball, and a tie in baseball.

The bucket will be in possession of the Bulldogs until next year when it will be put on display and awarded to the winner of the first intercollegiate contest.

The Bo-Hun-Kus Trophy was originated to instill an even greater feeling of rivalry between the two schools than now exists. Its originators, Mr. Jack Daniel of ECTC and Mr. John Yavorski of ACC hope that this purpose will be fulfilled and that in future years the bucket will serve as a memory of that rivalry.

Phi Delta Gamma Elects Officers

Phi Delta Gamma fraternity elected officers for the coming year at their last regular meeting of the year. The officers who were elected are as follows: A. C. Holloman, president, to succeed Woodrow Sugg; Lester Edwards as vice president, to succeed Burney McCotter; Chester Johnson as secretary, to succeed Kellom James; A. T. Cherry as treasurer to succeed Jarvis Edgerton; Robert Jarman to succeed Lester Edwards as chaplain, and Frank Wiley to succeed C. B. Johnson as sergeant-at-arms.

Seeing is Believing!

HERE'S AN INTERESTING CIGARETTE COMPARISON... See how it's made by college student Bob Hendrickson

SMOKERS all over the country are learning what Robert S. Hendrickson, Jr. (right) is showing a group of classmates. It's a striking way to compare cigarettes by simply watching them burn! Bob is testing the leading brands to find the one that burns slowest! Which brand won? C-A-M-E-L... by a wide margin! The reason? Costlier tobaccos, expertly blended in a cigarette that burns slowly, completely - smokes cooler, of course!

Recently, a group of scientists ran this interesting laboratory test on a

bigger scale. 16 of the largest-selling cigarette brands were rated impartially. CAMELS BURNED SLOWER THAN ANY OTHER BRAND TESTED - 25% SLOWER THAN THE AVERAGE TIME FOR THE OTHER BRANDS. (Camels were remarkably consistent.) IN THE SAME TEST, CAMELS HELD THEIR ASH FAR LONGER THAN THE AVERAGE TIME FOR ALL THE OTHER BRANDS.

Camel is the cigarette of costlier tobaccos... cool, mellow, appealing in taste, so uniformly delightful!

"Look how slowly the Camel burns compared to the other brands," Hendrickson points out. Everyone agrees that Camels win hands down. "No wonder Camels smoke so cool and mild," Bob adds. "And that must have a lot to do with why Camels have such an appealing taste!"

Smoking is Believing!

WHEN you've enjoyed the thrill of a mellow, rip-tasting Camel, you'll know that NOTHING can take the place of costlier tobaccos! What a pleasure it is to get set with a cigarette that is really mild - a matchless blend, made to give you all the enjoyment in smoking. Camels have more tobacco by weight than the average of the 15 other brands tested. Besides, Camels burn slower than any of those other brands. And by burning 25% slower than the average of the 15 other of the largest-selling brands, Camels give you the equivalent of 5 extra smokes per pack! Camels give you even more for your money when you count in Camel's finer, more expensive tobaccos. Buy shrewdly! Buy Camels... America's first choice for a luxury smoke every smoker can afford!

Camel's slower burning (compared to the average time of the 15 other brands tested) gives you the equivalent of 5 extra smokes per pack! You economize while enjoying smoking pleasure at its best!
