## Pan-Hellenic Council Holds First Meeting

### Sue Harper Acts As Temporary President

On Thursday, October fifth, the Pan-Hellenic Council conducted its first meeting of the present school year. The council was first organized last year and its purpose is to bring about a medium between the Greek letter organizations on the campus, and to serve as a go-between for the organizations and the Executive Board. Through this council it is hoped that a more thorough understanding will result between the college government and the organizations and also among the organizations themselves.

Each fraternity and sorority have three members to represent them on this council. One member is the president while the other two are elected by the organizations separately. The representative members are as follows: Phi Sigma Tau, Sue Harper, Susan Alice Waller, and Marie Barnes; Sigma Alpha, Bob Windham, Eugene Ange, and Elbert Moye; Sigma Tau Chi, Mary Mathews, Johnnie Green, and Catherine Hoell; Phi Kappa Alpha, Mutt Gardner, F. H. Jarman, and Elbert James; Delta Sigma, Bess Hearne, Selma Arner, and Mozelle Ricks; Phi Delta Gamma, A. C. Holloman, Lester Edwards, and John Yavorski.

The first business brought before the meeting was the revision of the constitution and the acceptance of some new by-laws. With Sue Harper acting as temporary president of the council, a Constitution Committee was appointed with John Yavorski as acting chairman. This committee is to revise the constitution and submit it for acceptance. With no further business the meeting was adjourned.

## New Members Initiated by Frats And Sororities

### New Officers Are Also Installed

Every fall at the beginning of college seen around the campus are students dressed awkwardly and carrying in their hands things from eggs to fish. The reason is the different sororities and fraternities of the college are initiating their pledges.

There are three sororities and three fraternities at this college. Each sorority has its brother fraternity—the Phi Sigma Tau Sorority and the Sigma Alpha Fraternity; the Sigma Tau Chi and the Phi Kappa Alpha; and the Delta Sigma and the Phi Delta Gamma.

The oldest Greek letter organization is the Phi Sigma Tau Sorority which was founded in 1912. Mrs. C. A. Jarman is the sponsor and Mrs. Bill Herring is an honorary member. Welcomed back to the sorority was an old member Miss Georgia Brewer of the faculty. The following new members were taken in: Hazel McKeel, Evelyn Barnes, Charlotte Brooks and Mary Nackon. For the first semester these officers were elected: Sue Harper, president; Belle Farnell, vice-president; Sara Jane Rouse, secretary; and Marie Barnes treasurer.

Founded in 1925 was the Sigma Alpha Fraternity whose sponsor is Mr. J. M. Waters. Honorary member is Coach Bill Herring. The new officers are Robert Windham, president; Eugene Ange, vice-president; Jim Brown Holliday, secretary and treasurer; Ellie Williamson, chaplain; and Warren Broughton, sergeant-at-arms. Joe Frank Draper, Marion Lassiter, B. C. Scott, Gordon Aldridge, L. A. High, Jim Ed. Miles, and Leslie Mincey are the new members.

Miss Eleanor Snyder and Mrs. F. A. Hodges are Sponsors of the Sigma Tau Chi Sorority which was organized in 1925. Elected as officers were Mary Mathews, president; Lillian Guthrie, vice-president; Catherine Hoell, secretary; and Sara Fulghum, treasurer. The new members are Isabelle Williams, Frances Nelson, Bobs Bass, and Loree Strickland. The Phi Kappa Alpha Fraternity was also organized in 1925. (continued on back page)

## Homecoming And Formal Opening of Beautiful Chapel To Be Held On November 4

### Hundreds Expected to Return For Gala Celebration

#### REV. S. J. COREY TO BE SPEAKER

General homecoming and the opening of the new chapel, the day we have looked forward to, comes to realization November the fourth. In connection with homecoming the new chapel will be formally opened.

A special committee of faculty members, alumni, and student members has been at work on this program and is planning a day which they hope will long be remembered by all who attend.

Special publicity is given this occasion through the press, the North Carolina Christian, over the radio, and by letter to the former students of the college.

All the donors to the chapel, the preachers of The Christian Churches in North Carolina, and

trustees of the college are being given special invitations, to attend, as well as the usual invitations to the alumni.

According to present plans the celebration will begin with a play by the college dramatic club on Friday evening November 3rd, and will continue on Saturday with an alumni meeting at ten o'clock. At eleven o'clock the Glee Club of Atlantic Christian College will sing and a sermon will be presented by Stephen J. Corey, president of the College of Bible, Lexington, Kentucky.

At this service recognition will be given to those who have been of help in the erection of the chapel.

Dr. Corey is a former president of United States Missionary Society. He has attended many world conventions and his experience as a missionary, educator, and statesman make him able to speak with a voice well worth your hearing.

After the close of the morning session there will be served to

all the visitors a delicious lunch and those who have enjoyed these lunches before will recall with pleasure the fellowship and fun that they have when they get together around the tables.

After lunch has been served, there will be the traditional room inspection at which time visitors will view rooms that have been judged by competent judges. There will be various social entertainments during the afternoon. Different groups on the campus will hold open house for the entertainment of their friends.

Concluding this event will be a concert by Dr. Hubert M. Potat of Wake Forest College. Dr. Potat has been in Wilson and we know that many of his friends will be here to greet him. Dr. Potat will be assisted by the College Glee Club which will render several numbers. Mr. Edward Stallings will also present some violin solos.

A large crowd is expected to enjoy the day and all should watch the press for exact details about the happenings of the day.

## Current Glee Club Promises To Be Very Successful

### Several Frosh Selected To Complete Quota

The Glee Club under the direction of Professor Fontaine, has made an excellent start toward another year of service on the campus. Rehearsals have been held twice weekly since the second week of school. All of the voices are picked by Mr. Fontaine, and it is with high hopes that the group starts out this year.

This organization is one of the most important on the campus. Not only does it bring about a love for better music here on the campus, but it acts as a good-will agent throughout Eastern North Carolina. Every spring the Glee Club makes trips to Churches in this section of the state, and every fall it takes an active part in the State Convention.

The Men's Chorus is allied with the Glee Club, and it is composed of male members of the Glee Club along with a few others from the campus.

The members of the Glee Club are: Sopranos: Mildred Adkins, Jane Perry, Grace Hudson, Anne Saunders, Jeannette Mattox, Mary C. Houston, Edna Erle Reynolds, Margaret Hodgens, Margaret Garris, Alma Brite, Wilma Williams. Altos: Mrs. Sallie Hollingsworth, Elizabeth Stoney, Anne Worley, Marjorie Helms, Anna Ray Conyers. ## Honor Society Reorganizes For

### Selma Arner, Wilson, Is Chief Executive

The Golden Knot Honor Society of Atlantic Christian College was formed about two years ago by uniting Alpha Delta Chi, an honorary society for women, and a group of men with the same high ideals. The purpose of this Club is to uphold the ideals of Atlantic Christian College and to recognize and encourage character, scholarship, leadership, and service. Candidates for membership must have completed three college semesters with an 85 average for men and an 87.5 for women; they must be examples of outstanding moral character; they must possess the desire and ability for constructive leadership; and they must be willing to serve in upholding the ideals of this organization.

This honorary society has only two officers, a president and a secretary-treasurer. Those serving now are: Selma Arner of Wilson, president; and James Suber of Selma, secretary-treasurer. These officers were elected at the close of the last school year to serve this year. The other members are Mary Matthews, Sara Jane Rouse, Mildred Blizzard, Bessie Gray Hearne, Irma Spencer, and Elmer Mottern.

At the close of each school year, the society elects two new sponsors to serve during the following school year. These are at present Miss Martha Edmondston and Dr. Raymond Morgan.

The members are given membership in a rather unique way at the end of each year. A very striking and impressive "tapping" ceremony is held. All the old members, vested in their flowing black robes, occupy the seats of honor in front of the audience. A member of the society who has been designated beforehand as the "tapper" passes through the audience and extends an invitation to those who have been chosen to become new members by tapping them on the head with "the Golden Knot" sceptre. The happy victim then goes up to receive his charge and to be presented a Golden Knot pen, after which he is really a member of the Golden Knot Honor Society. His pen bears the Golden Knot symbols that stand for character, scholarship, leadership, and service.

The Golden Knot Honor Society meets at 4:30 o'clock on every other Tuesday afternoon. At its last meeting the club decided to run a candy store during the mornings and early afternoons for several weeks.

## War Poll Voices Student Opinion

### Express Non-Participation Viewpoint

By the results obtained in the recent poll on student opinion of war, conducted by The Collegiate, it is concluded that the students at this school are against any kind of conflict whatsoever.

If the nation as a whole would take the same stand as the Collegians there would be little chance of our being drawn into another foreign conflict. Public opinion and mob psychology practically determine whether or not we will be drawn into the war, therefore, if we reasonably control these great influences we will be controlling the possibilities of war.

There were eighty-two girls and seventy-seven boys participating in the poll. A calendar of the questions and the answers are as follows:

- Under present conditions, should the United States enter the European war as an active fighting agent?  
Answer—Girls—yes 1, no 81.  
Boys—yes 8, no 89.
  - If Germany is defeated in the war, do you think the spread of the totalitarian form of government will be prevented?  
Answer—Girls—yes 36, no 46.  
Boys—yes 30, no 45.
  - Under present conditions, should the United States sell munitions on a cash basis to any belligerent nations who can call for the items in their own ships?  
Answer—Girls—yes 47, no 34.  
Boys—yes 47, no 29.
  - Do you favor increased armaments and extension of armed forces in the United States at the present time?  
Answer—Girls—yes 50, no 31.  
Boys—yes 58, no 19.
  - Would you be willing to fight if:  
A. The United States proper were attacked?  
Answer—Girls—yes 65, no 12.  
Boys—yes 67, no 10.  
B. Any United States territorial possessions were attacked?  
Answer—Girls—yes 50, no 26.  
Boys—yes 55, no 21.  
C. Any country in the western hemisphere were attacked?  
Answer—Girls—yes 15, no 62.  
Boys—yes 28, no 49.  
D. United States maritime rights were violated; i.e. if American ships were sunk with American passengers aboard?  
Answer—Girls—yes 39, no 39.  
Boys—yes 43, no 34.  
E. It became apparent that France and England were in danger of defeat?  
Answer—Girls—yes 30, no 48.  
Boys—yes 29, no 48.
- By the above it is easily seen that the students of this college are against war.
- This same poll was conducted on a nation wide basis, but up to the present time the national results have not been tabulated.

Among the most outstanding were Julia Coffman's portrayal of a girl welcoming her boy friend after many months of absence, Hugh Cullom's interpretation of a student meeting a teacher after cutting his class, and H. D. Harrison's expression of joy and surprise after receiving a letter from his "dearly beloved."

## Monogram Club Accepts Ten New Members

### Initiation Begins Activities of Eventful Season

Initiating new members into its association during the week of October 4-7 was the "A" Club, one of the most important athletic organizations on the campus.

Not knowing exactly when the "A" Club was founded, it is safe to say it is one of the oldest and, in the field of sports, one of the most important organizations of the college. It consists of those boys who have won a letter in one or more of the intercollegiate sports, and in this lies the club's name. Those who wear the white letter "A" on their sweaters are eligible to become members.

The purpose of the club is to create within the members a deeper appreciation of clean sportsmanship and to promote better friendship among the athletes. It also strives for better organization in athletics.

Recently those boys who won letters at the end of last year were initiated into the club. Going around with a huge A made of cardboard around their necks, the boys were dressed to represent their particular field in sports. The basketball players carried basketballs with them, and the baseball players carried a bat and ball. Dressed in bathrobes and boxing gloves, were the boys who received letters in boxing. In this way the students of the college were able to see in which sport the boys excelled.

The new members are: Burney McCotter, Frank Wiley, Joe Frank Draper, Marion Lassiter, Scott Paul, Billy Lee, Albert Outlaw, Kendrick Taylor, and Clayton Weeks.

The new officers for this year were elected as follows: A. C. Holloman, president, Mutt Gardner, vice-president, and Neal Wyndham, secretary and treasurer.

## Dr. Jenkins Elected To Fill Vacancy On Executive Bd.

## Publicity Group Presents Initial Radio Programs

### Freshman Talent Is Featured

Again this year our college is presenting a series of radio broadcasts over W. G. T. M. every Wednesday afternoon at 3:30 o'clock. These programs are given by the students and the faculty to better acquaint the listeners with the important events and happenings of the Atlantic Christian College.

The initial program, presented on October 4, was of the different ways some of the faculty and students spent their summer. President H. S. Hilley gave an introductory speech.

Dr. Elizabeth Wagner, instructor of Biology and Anatomy, gave a report on her research work which she did at her home in Ohio.

Mr. F. F. Grimm, professor of psychology, gave an interesting speech on his trip out West and to the San Francisco Fair.

Mary Alice Latham of New Bern spoke on her trip to the New York World's Fair.

Kathryne Jones of New Bern reported on her trip to Canada. The second program was presented October 11, and several of the Freshman Class displayed their talents. Russell Arnold, president of the Freshman Class, gave an introductory speech.

Elizabeth Browning of Washington, N. C. presented two accordion selections: "Londonderry Air" and "Santa Lucia."

Lib Stoney of Winston-Salem read "Ain't Love Grand?" Margaret Garris, soprano, rendered a selection.

Madeline Denning, from Coats, North Carolina, played a medley of tunes.

These programs have been conducted under the able leadership of Miss Eleanor G. Synder and the publicity committee.

## Successful Year Expected by Band

### Visits State Fair For First Concert

The pride of the students of Atlantic Christian College is vested in its band, which under the able and experienced leadership of its director, Ellis Williamson of Raleigh, North Carolina, is steadily gaining recognition as being one of the best college bands in the State.

The band plays a major part in the activities on the campus. It plays for concerts and for the various athletic events on the campus of Atlantic Christian College as well as playing just for the "sheer fun of it." In addition to being a useful asset on the campus, the Atlantic Christian College band plays in numerous towns in the eastern part of North Carolina.

Its first concert on the campus of Atlantic Christian College will be given on the Annual Homecoming Day, which occurs the first week in November.

On Saturday, October 14, the band gave a concert at the North Carolina State Fair in Raleigh. Leaving the campus at 12:30 p. m., the eager band members arrived in Raleigh and on to the Fair Grounds seeing first the Auto Races.

At 6:00 p. m. the band presented a twenty-minute concert near the Exhibition Building. Among the selections rendered were the following: "The Stonewall Brigade," "The Washington Post March," and "The Star Spangled Banner."

The members were entertained at a supper on the Fair Grounds by the State Fair Officials.

The band is composed of the following students: John Batchelor, John Tyson, Charles Eagles, Anna Lee King, Mary Ella Clark, Foy Goforth, Robert Thornton, (continued on back page)

## Susan Waller To Serve As Chairman of May Day

It was necessary this year to elect a chairman of May Day and a faculty representative to take the places of Elizabeth Russell and Mrs. Mercer who were elected to fill the positions at the end of the year at the regular elections but failed to return to school this year.

At a meeting of the cooperative Association, Dr. Jenkins and Professor Grimm were nominated to take the place of Mrs. Mercer, and Sarah Fulghum and Susan Alice Waller were nominated for Chairman of May Day. Elmer Mottern, President of the Cooperative Association, announced that a ballot box would be placed in the hall of the Girls' Dormitory. Voting was done by secret ballot, and returns showed that Susan Alice Waller of Kinston had been elected as Chairman of May Day and Dr. Sadie Jenkins as faculty representative to the Executive Board.

The Executive Board of the Cooperative Association is the highest authority. It is composed of the following students: Elmer Mottern, President of the Cooperative Association.

Robert Jarman, Vice-President. Mary Mathews, Secretary. John K. Wooten, Treasurer.

Mildred Blizard, Representative from Woman's Dormitory. Kellom James, Representative Men's Dormitory.

Miss Beasie Maasengill, Dean of Women. Mr. Cecil Jarman, Dean of Men. Selma Arner, Town Representative.

Dr. Jenkins and Dr. Morgan, Faculty Representatives.

These members were elected by the students to represent them. It is the duty of the Board to try cases which have already been heard by either the Boys' or Girls' Dormitory Councils but is too serious for them to give punishment, and also to handle all the financial affairs of the Association.

Miss Waller, in the capacity of Chairman of May Day, will act as general supervisor of the various committees for dances, costumes, etc. She will be aided by Miss Smalley, Physical Education Instructor. The various committees will be selected by Miss Waller in the near future.

## 1939-'40 Officers Elected by Classes

### Suber Heads Seniors; Spencer, Juniors

The new class officers of the 1939-40 school year have been elected by the different classes of Atlantic Christian College.

The four corners of the gymnasium were taken over by each class after a chapel program recently for the purpose of electing officers. Through the air floated the sound of nominations and discussions of the different groups. Everybody was busy for sometime; then the outcome of the election was discovered.

Holding offices in the senior class are the following students: James Suber, of Selma is president; Anne Saunders of Spray is vice-president; Mozelle Ricks of Goldsboro, secretary; Ellis Williamson of Raleigh, treasurer.

A surprising outcome occurred in the Junior Class which was quite a coincidence. All the new officers, from the president to the treasurer, hail from the same town—Kinston, North Carolina. They are Irma Lee Spencer, president; John K. Wooten, vice-president; Bet Ward, secretary; and George Loftin, treasurer.

Homer Narron of Kenly was elected president of the Sophomore Class; and Mary Nackos of Wilson, vice-president. The other officers are Ola Mae Kelly of Pfafftown, secretary; and Kendrick Taylor of Snow Hill, treasurer.

The Freshman Class brings these new leaders into the limelight. Russell Arnold of Colerain heads the new students as president of their class. Lillian Lamm of Wilson is the vice-president. Secretary is Kathryn Jones of New Bern; and treasurer, Hugh Cullom of Wilson. (continued on back page)
