

Homecoming Alumni Gives \$1300

By RUBY WIGGINS

Although the clouds overhead threatened rain, the ACC Homecoming Parade went up Nash street to herald out the activities of Homecoming, 1954.

There were fourteen elaborately decorated floats welcoming the Alumni Honors went to the WAA, first place, supervised by Miss Tomlinson. Second place winners were Stage and Script, under the direction of Ruby Wiggins, and the Future Teachers of America, with Dale Gaiety chairman. As the parade went fully down Nash Street, everyone saw for the first time the 1954 Homecoming Queen, Miss Judy Lane, from Wendell.

On Friday night the annual Homecoming game was played in the gym with the Bulldogs being victorious over Lynchburg. At half-time the Homecoming Queen was crowned and runners up were announced. The runners-up were Miss Jo Ann Cumpler and Miss Jean Vaughn. At this time the awards to the winners of the floats were also announced.

Saturday morning a program

was presented in the chapel, after which time the Alumni Association met. The Alumni decided to give the ACC mixed chorus and band over \$1300 for the purchasing of robes and band uniforms. All the students were deeply grateful for this generous gift from the Alumni, and we would like to say a great big "Thank-You." Alumni Association officers were elected for next year at the Saturday morning meeting and gifts were presented to Caldwell Hall and Harper Hall.

The crowning event was the annual Homecoming Ball, which was held in the dining hall. Jimmy Harris and "The Dreamers" furnished the dance music. It will be a long time before those who were present will forget our own Dr. White leading the faculty in the "Bunny-Hop."

The last event of our Homecoming activities was in a differenting Homecoming church service at the Christian Church. Here in the true spirit of our campus homecoming was brought to a fitting conclusion.

Take a quick look now at the season's prettiest dresses. One short formal with the molded long torso top has a bow twisted about the hips and a pouf of a silk organza skirt. A floor-length dress made of great clouds of net and crowned by a long, shy-necked bodice is lighted with sequins and rhinestones.

At the holiday dance a perfect partner for these lovelies is a dusk-gray tuxedo of imported mohair, with satin peak lapels and sleeve cuffs.

charge to college students. Spicer, who appeared here several years ago, was enthusiastically received by the students. His informality and appealing personality, combined with his talent, provided an extremely entertaining program.

It has also been announced that the Concert Committee is scheduling the Barter Theater for an appearance here in March. The company is this year presenting Shakespeare's "Macbeth."

Phillip Morgan Visits ACC

Phillip Morgan, a member of the faculty of the School of Music of The Woman's College of the University of North Carolina, presented a program of piano music in Howard Chapel December 8. gear whom you might see on his way down to can two points. His speed and accuracy have made him rank among the top ball players in the North State Conference. He carries his 6'2" frame into the air like he's got kangaroo blood and can rebound with the big men around the loop. Jerry will score from anywhere on the floor and is best when the chips are down.

These two boys have been chosen by the rest of the squad as their leaders for this season. They are leading the best ball club in the North State Conference.

SANTA CLAUS

Claus: The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen in the world.

You may tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God, he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.
