

Delta Sig, Sigma Tau Chi Leave For Beach Today

Members of Delta Sigma Phi Fraternity and their sister sorority, Sigma Tau Chi, will journey to the beach this weekend. The annual beach trip of the fraternity and its sisters will be held at Wrightsville Beach this year.

Next weekend Delta Sigma Phi will hold an initiation for the men who pledged the fraternity during the spring rush. The initiation weekend will be climaxed with the formal ceremony being held in Howard Chapel on Sunday morning. The brothers will attend church together and a dinner will follow in the Carolina Room of the First Christian Church.

The annual spring banquet of Delta Sig, known as the Sailor's Ball, will be held on Saturday, May 16, at the Cherry Hotel. Bailey Swertzfeger, a Delta Sig man, won the intramural skish contest. Skishing is a hobby with Bailey.

At the last fraternity meeting the fraternity congratulated their leaders for the outstanding job they have done for the fraternity during the past year. Some of the men who did such an outstanding job are Dick Tyson (the past president), Carey Banks, Bill Shouldice, Al Felton, Bob Matthews, George Littrell, Everette Purvis, Steve Mercer, Don Shirley and Ken Bryan.

Omega Chi Gets 2 New Members

By NANCY WALES

Omega Chi Sorority welcomed two new members into its sisterhood at the meeting Monday. They are Miss Audrey Finch and Miss Suebelle Jackson. The new members were initiated Saturday, April 25.

The program for the Omega Chi spring banquet is developing according to schedule and all the last minute plans are being completed. The banquet is to be held on next Friday.

Several of the Omega Chi members were elected to campus positions in the recent election. The sorority wishes to congratulate them.

Sig Eps Will Participate In Annual Softball Play

Members of Sigma Phi Epsilon fraternity leave for Chapel Hill tomorrow. The occasion is the annual softball tournament of all the Sig Ep chapters in the state. There will be teams from the University of North Carolina, North Carolina State College, Duke University, Wake Forest College, High Point College, Lenoir Rhyne College, Davidson College and Atlantic Christian College. ACC's Sig Ep chapter was defeated last year in the final round by a strong High Point chapter. The ACC chapter this year has hopes of going all the way.

Members of Sigma Phi Epsilon and their sisters of Omega Chi have planned a joint banquet and beach party. The banquet will be held next Friday, May 8, at the

Wilson Country Club. The highlight of the banquet will be the awarding of the Sig Ep "Man of the Year" trophy and the Omega Chi "Woman of the Year" trophy. Many of the brothers and sisters are headed for the beach on Saturday, May 9, for a beach party as the climax of the weekend. The fraternity men plan to lodge in Brother Bobby Davis' cottage.

Dewitt Daughtry has been appointed house manager for the coming year with Rodney Williams to serve as his assistant.

It was reported that Sig Ep won the intramural skish contest by two points. The fraternity still leads in intramural points, with the exclusion of volleyball and softball points.

Track Team Runs In Relays Today

The Atlantic Christian College Track Team is at High Point College today to participate in the High Point Relays.

The team will return tonight to prepare for a conference meet with Guilford College there Tuesday.

Coach Sam Coker said today he hopes his star sprinter, Woody Daly, will be ready for action next week. Daly has been suffering with a muscle spasm in one of his legs.

Coker said everyone else will be ready for the meet with Guilford. With Daly ready, the Bulldogs have a good chance of winning from the Quakers. ACC will be strong in the speed events and in the field events. Guilford should be potent in the distance races.

RE-DESIGN

signed and studied are traffic, population, housing, recreation and parks, the central business zone, new government centers, an addition to the present community center including a large auditorium and museum, and an enlargement of the local library.

In the process of making the study, the special team plans to create scale maps of the re-development, three dimensional renderings in black and white and in color, and, if time permits, simple models.

The City of Wilson has expressed interest in the project. N. Jack Maynard, City Manager, met with the group last week to discuss the project. The City Manager is furnishing topographical maps and other materials now available that will be of help to the team in its work.

main in college for the full college year to be eligible for the offices.

The phrase at least was also added to requirements for nomination as treasurer and secretary so that now to be eligible for nomination for treasurer or secretary a student must be at least a sophomore in good standing.

The other change in the constitution concerns the nomination for head cheerleader. Now, one year's cheerleading experience at this college is added to the other qualifications necessary for nomination to this post.

The Cooperative Association, in order to gain interest in the assembly program, had asked Mr. William T. Ramsay, Instructor in English at the college, to speak on the subject of, "What I would say if this were my last lecture on earth." Members of the Executive Board, in using Mr. Ramsay's lecture as a drawing card, were attempting to increase the attendance of the non-compulsory assembly program. Although the attendance was above the usual number for such assemblies, there was not a quorum present. The constitution states that two-fifths of the student body should be present in order to hold a meeting of the Cooperative Association. In other words, 400 persons was the goal for the attendance at the assembly. Actually, there were about 350 members in the chapel for the meeting.

SURVEY

admissions cards to enter classes. It is to the advantage of students to pre-register for courses, it was explained. While plans are still fresh in the minds of students in an excellent time to complete those plans. The summer layoff usually causes several mixups in course planning for students when they do not register until the fall.

William Newberry Is Elected Sigma Pi Fraternity President

By DICK ULLOM

The newest national fraternity on the campus of Atlantic Christian College, Sigma Pi held its first meeting on April 27. At this meeting new officers for the next school year were elected. The new officers are as the following: William Newberry, President; Ernest Oden, Vice - President; Jerry Narron, Secretary; Clarence Shealy, Treasurer; Clyde Dunn, Warden; and Ralph King, Historian.

At the formal installation banquet of Sigma Pi on April 25, John Anthony was presented an award for being the "Man of the Year" in the Beta Rho Chapter of Sigma Pi. Richard Britt was given a similar award as the "Pledge of the Year."

Sigma Pi and Delta Sigma are planning a cook-out for May 6. This cook-out will be held at Recreation Park here in Wilson.

Sigma Pi is making plans to move into another house next fall. A definite house has not been selected as yet but several houses which are located on Nash Street are being considered. The present fraternity house of Sigma Pi is located on Whitehead Street.

Congratulations are extended to Brother Mike Johnson and his wife on the arrival of their new daughter.

Alpha Sig Plans To Buy Award

The 1959 Pledge Class of Alpha Sigma Phi voted to purchase a plaque for the fraternity. The plaque will be used for the "Man of the Year Award." This will be the newest members' gift to the fraternity.

The site for the Alpha Sigma Phi banquet has been changed from the Ship-n-Shore Restaurant to the Cherry Hote. The banquet will be held on May 1, and is open to all members of Alpha Sigma Phi and their dates.

Alpha Sigma Phi's volleyball team is still in the running for the top spot in the Intramural Volleyball League.
