Bishop Gets Frosh Nod In Spirited Election

By RALPH MESICK
Collegiate Co-Editor

Robert Bishop, Philadelphia, Pa., was elected president of the Freshman Class at the run-off election held last Monday.

In other elections on Monday, Thomas Moore, Washington, was elected vice-president, Miss Linda Watkins, Durham, secretary, and Miss Susan Gettinger, Fort Lauderdale, Fla., treasurer.

The runoff was necessary because none of the candidates had received a majority of the votes at the regular election held last Friday. Friday's election brought to the polls of Atlantic Christian College the largest percentage of eligible voters in recent years. Approximately 67 per cent of the members of the class voted Friday.

Bishop defeated Robert Stone, Portsmouth, Ohio, in the run-off for the presidency of the class. Presidential candidates defeated in the preliminary election were Larry Sicheloff, Winston Salem, and Daniel Shingleton, Wilson.

Moore, the new vice-president

of the Freshman Class defeated Miss Carole Barber in the run-off. Lionel Hector and Miss Mary Elizabeth Howard were defeated in

Miss Sue Gettinger, Freshman Class treasurer, defeated Miss Flora Faulkner in the run-off and Miss Janet Ferrell and Miss Linda Cale in Friday's election.

Regarding the future of the Freshman Class, Bishop said, "If we are going to serve our purpose on the Atlantic Christian College campus, we must work together. I thank you for your support in the election; now, I plead for your support in the coming year."

The newly-elected president will represent the Freshman Class on the Executive Board of the Cooperative Association.

Boswell attended the discussion of "Witnesses or withdrawal? - Chapel programs, religious emphasis weeks, etc." Mr. Stair attended the group which discussed "Much ado about nothing? Possible strengths and weaknesses of freshmen orientation programs from the student point of view."

Mr. Stair reports that all the delegates felt the meeting was well worthwhile and that many insights were gained from the discussions.

Testing Program

Also noting a trend that was discussed at the meeting, Mr. Stair said that most colleges in the state are in the process of developing a pre-enrollment testing program which will enable more thorough testing of students before school starts.

Demonstrations Planned For Progress Assembly

By BOB COLLINS
Collegiate Co-Editor

As part of the Progress Assembly to be held at Atlantic Christian College October 17, the academic departments of the college are planning demonstrations which will depict the curricula of the departments and the goals set up by the departments as they seek to provide an educational experience for the students.

Allan R. Sharp, Chairman of the Department of Religion and Philosophy, is acting as chairman of the committee which will coordinate the demonstrations.

Mr. Sharp pointed out that in keeping with the theme of the overall demonstrations, "Christian Higher Education in Its Decade of Decision," the departmental demonstrations will show the functions

of each department working within framework of Christianity.

Mr. Sharp showed a preliminary sketch of a poster which will portray the program within the Christian framework. It features each department as a circle, the circles interwoven, all set within an encompassing ellipse which represents the Christian framework within which the college works.

In the demonstration which will be featured in the lobby of the classroom building, Mr. Sharp said that all the disciplines of the college will be illustrated. Then each department will have its individual demonstration in a classroom on the second floor.

The department chairmen indicated that they are still in the process of formulating plans for the demonstrations. Dr. Mildred E. Hartsock, Chairman of the Department of English, said, "Our plans for the actual demonstration are incomplete at present, but we will be emphasizing creativity in reading, writing and the dramatic arts."

Six Page Issue Biggest Thus Far

Readers will note The Collegiate is bigger this issue. Thanks to some outstanding work by the Business Staff, headed by Miss Bette Pomfroy as Business Manager, the newspaper has added two pages to this week's edition.

From time to time during the year The Collegiate staff will have six-page issues to accommodate the large amount of advertising that is being inserted by merchants in Wilson and by national advertisers.

Readers of The Collegiate are urged to support the merchants who advertise in the newspaper.

Exec Board Appoints Members For Three Campus Committees

By TERRILL RILEY

Memberships for three organizations most vital to the campus life of every student and faculty member at Atlantic Christian College were selected Monday evening by the Executive Board of the Cooperative Association.

President Robert Dunn led the student government leaders present at the meeting through a session of discussion and consideration of nominees for the Assembly and Concert Committee, the Social Committee, and the new Student Center Activities Committee.

New members of the Assembly and Concert Committee, Sanford Peele, Senior, Annette Fuller, Junior, Audrey Finch, Sophomore, and Bruce Turner, Freshman, will work with faculty members of the committee charged with the responsibility of planning assembly programs which will be beneficial and entertaining. This prominent group also is to make available various evening programs throughout the year.

Selected to serve on the Social Committee of Atlantic Christian College are Larry Phares, Senior, Dick Knox, Junior, Miss Janet

Blackwood, Sophomore, and Miss Carole Barber, Freshman. Several faculty members will work with this organization in organizing and supporting special social activities for the school year.

The Executive Board stressed concern for and interest in the planning of a more complete and effective program within the Bohunk. For this purpose the new Student Center Activities Committee, has been formed. This organization is expected to contribute much to the life of the College campus through the combined efforts of Miss Flora Griffin, Commuting Women representative, Bobby Riley, Commuting Men representative, Miss Jean Bazemore, Resident Women representative, and Ashton Wiggs, Men Faculty representative, Miss Jeah Winstead, Women Faculty representative, and Tommy Temple, Resident Men representative. It was further specified that the Student Center Committee is to work under the administration of Miss Jesse M. Daniel, Director of Student Activities.

It was announced that requested allocations in the budgets of vari-

ous organizations should be turned in to Ken Bryan, Treasurer of the Executive Board, no later than today. The combined budgets of the Pine Knot, The Collegiate, the Assembly and Concert Committee, the Social Committee, the Student Center Activities Committee, the Campus Christian Association and the Dramatics Club represent the total 1959-60 budget of the Cooperative Association.

During the session the executive group took time to welcome the newly-elected president of the Freshman class, Robert Bishop, to his position on the board.

Several business issues were brought up by the Executive Board members for consideration or action and were postponed as a result of insufficient preparation. Such issues concerning student interest and government affairs were reslated for consideration at a later date.

Schedule conflicts of several executive members were voiced and a temporary date for Tuesdays at 8 p.m. was set for the Executive Board of the Cooperative Association to meet in the future.
