

Date Set By Phi Sigma For Annual Banquet

Friday, April 22, will mark the occasion of the annual spring banquet of Phi Sigma Tau sorority. In recent meetings the sisters have discussed the details of the banquet, including the choosing of the menu and the appointing of committees.

Miss Bette Pomfrey was in charge of arranging the event at the Ship 'N' Shore restaurant. Miss Fan Faulkner, Miss Jackie Rivenbark, and Miss Sally McLean are making arrangements for a band. Dr. Mildred Hartsock will be the guest speaker at the banquet.

At the meeting of the sisters on February 1, Miss Tucker Uzzelle, who is in charge of the committee on nationalization, reported the results of her investigation regarding expenses and other requirements.

The sisters decided to order composite pictures of the sorority members again this year. Miss Brenda Cale and Miss Emily Waters were delegated to select a gift for the new baby, born in January, of a sister, Mrs. Dot Elliott.

Much discussion centered around the idea of changing the time of the sorority meetings so that more freshman members could attend,

but no decision was reached.

Plans for spring rush were made in detail at the meeting on February 8. The sisters decided to greet rushees informally on the dates decided by the IFC, next Monday and Tuesday, at the Alpha Sigma Phi fraternity house.

A refreshment committee, consisting of Miss Carlaine Richards, Miss Janelle Childress, Miss Nancy Smith, Miss Kay Oliver, Miss Sue Denning, and Miss Harriette Watson, was selected. Decorations will be arranged by Miss Mickey Hayes and Miss Sally McLean. Miss Helen Williams, Miss Nancy Jean Edwards, Miss Brenda Tyndall, and Miss Linda Cale are in charge of securing entertainment, and favors will be provided by Miss Cynthia Smith, Miss Becky Webb, Miss Frances Evett, and Miss Betty Ann Thomas.

Miss Tucker Uzzelle, intramural representative, announced that sisters who joined the sorority this fall are now eligible to participate on the sorority's intramural team.

President Zarelda Walston asked for the sisters' support of, and attendance at, the discussion groups that will be a major part of Religious Emphasis Week in March.

Delta Sig Board Holds Seminars

The Alumni Control Board of Delta Sigma Phi recently sponsored a weekend of seminars for the members and pledges of the chapter. The seminar on "Social Etiquette" was led by Miss Sara Bain Ward, honorary housemother; that on "The Fraternity Ritual" was led by Dr. J. P. Tyndall, chapter supervisor; that on "Fraternity Standards" was led by Russell T. Roebuck, Alumni Control Board President; and chapter president John Hales assisted by William Willis led the group in a discussion of "Rushing Procedures."

The chapter members, pledges, their wives and dates were the guests of the Alumni Control Board on Friday night at a dance held in the Wilson Room of the Cherry Hotel. Sandwiches and cookies were served from silver platters and fruit punch from a silver punch bowl. The table was centered with an arrangement of carnations in the Valentine motif. Alumni member Warren Barnes served refreshments.

Quinton To Head Honor Society

Wayne Quinton, a senior student of Atlantic Christian College, was elected president of the Golden Knot Honor Society at a meeting of the honor group held last week.

The election was necessitated by the graduation of the past president of the Golden Knot, Ken Brinson. Miss Emily Waters is Secretary - Treasurer of the organization.

Other members of the honor society are Miss Sarah Brame, Miss Bette Pomfrey, Miss Louise Wells, Miss Zarelda Walston, Miss Flora Griffin, and Ralph Messick.

Jerry Narron Elected President Of Sigma Pi

"In the past two weeks many important events have taken place in the life of Sigma Pi fraternity," Jerry Narron president of the fraternity announced today.

The first of these occurrences was the initiation, informal and formal, of pledges on January 28 and 30. The main ceremony was held on Saturday, January 30, with Mr. William Marable, professor of English at Chowan College, presiding. The men chosen to become a part of the national brotherhood of Sigma Pi are William Batchelor, Clyde Morgan, and Robert Swineford.

A few days following the initiation of these new members, an election of officers for the coming semester was held. Those men elected to fraternity offices are as follows: Jerry Narron, president; Jimmy Taylor, sergeant-at-arms; Richard Britt, vice president; Clifton White, secretary; and Clarence Shealy, treasurer.

These officers officially assumed their positions at an installation service held last Monday night. Sigma Pi is now awaiting a visit of the chapter's field executive. The guest is expected to visit the fraternity for several days to assist in fraternity affairs.

Sigma Tau Begins Banquet Plans

Sigma Tau Chi sorority held a short meeting Monday at which time several items of business were discussed and settled.

The sorority has begun to make plans for spring rush. A committee has been appointed to make definite preparations. Heading this committee as chairman is Miss Linda Lankford, and working with her are Miss Mary Liz Howard, Miss Alease Willoughby, Miss Marti Sugg, Miss Jewel Blowe, and

Miss Sandra Spell. Plans are being made for an informal party for the sisters to be held sometime in March.

Dance Is Canceled By Sorority

Delta Sigmas sorority, who sponsors the annual Valentine Dance, voted not to have the dance tomorrow evening, as previously planned. Flu is affecting numbers of students daily, and it is felt that the assembling of a large group of people may cause the

epidemic to spread. Also, the Miss Wilson Pageant is being held on Saturday night.

This action was taken at the meeting of the sisters on February eighth. Miss Janice Huggins will assume the duties of president in the place of Miss Judith Parrish. Miss Eva Nan Summerlin was elected vice - president in the place of Miss Huggins.

The sisters were reminded of the volleyball games remaining on the intramural schedule. Miss Summerlin served refreshments.

The other day our vice president in charge of good news announced that someone, somewhere, enjoys Coke 58 million times a day. You can look at this 2 ways:
Either we've got an incredibly thirsty individual on our hands. Or Coca-Cola is the best-loved sparkling drink in the world.
We lean to the latter interpretation.
