

Sororities Anticipate Successful Rushing

From October 10-14, rushees of 1960 will be greeted by Atlantic Christian College sororities at the homes of their brother fraternities. In anticipation of a successful rush season, sororities are busy completing plans for entertaining and informing the rushees who will visit them between the hours of three and five o'clock.

Phi Sigma Tau

Following a report by Zarelda Waiston of the latest IFC meeting, the sisters exchanged comments regarding certain suggestions made by the council. The amendment to the IFC constitution was discussed. The proposed amendment stated that a rushee must visit every sorority during rush week in order to be eligible for pledging. After discussion, Phi Sigma Tau voted unanimously not to support the amendment at the next IFC meeting.

The sorority studied the IFC's action toward establishing permission for women Greeks to attend social functions in fraternity houses.

New sponsors of Phi Sigma Tau are Mrs. William Tucker, Mrs. Ashton Wiggs, and Mrs. Virginia Cannon.

Rush activities under the direction of Margaret Walker and Fan Faulkner were discussed. Committees reported regarding the Top Hat Dance scheduled for October 29.

Omega Chi

Omega Chi sorority is busy completing plans for the Saturday night Dancerama which will be held in the dining room beginning at 8 p. m. All kinds of dancing

—cha-cha, bunny hop, Mexican hat dance, and square dancing—will be featured. Admission will be 25c for couples and 35c stag. Refreshments will be served.

Peggy Bivens has been elected corresponding secretary for the year to replace Audrey Finch.

Plans have been completed for Omega Chi's rush week. All the sisters were urged to participate in intramural activities.

Sigma Tau Chi

Judy Collins, in charge of rush activities for Sigma Tau Chi sorority, has appointed the following refreshments, Clint Bunn, chairman; entertainment, Peggie Greene and Nanelle Edmundson, co-chairmen; name tags, Pat Belangia, chairman.

Miss Collins also made suggestions for amendments to the constitution which were accepted.

Pat Belangia gave the IFC report concerning the IFC dance to be held on November 2.

Nancy Britt, social chairman, reported plans for the Harvest Dance. Genevieve Wadell, Ann Hamilton, and Flora Griffin volunteered to make a banner for the sorority.

Delta Sigma

Delta Sigma sorority met to discuss rush week. Sybil Hill, chairman of the rush committee, presented ideas for entertaining rushees. All committees are in the process of completing rush preparations.

Miss Hill also gave a report concerning IFC rush week regulations.

The wiener-roast was postponed until after rush because of the IFC rush banquet.

Frats Urge Men To Visit Houses

Fraternities are preparing for a big turn-out during rush week. All interested men are urged to attend all of the fraternities in order to acquaint themselves with the functions and members of each. All men thinking about joining a fraternity should pick the one best suited to their personal needs and desires. They should consider the opportunities and help that each fraternity can give one as an individual and as a part of Atlantic Christian College. All Fraternities welcome interested students!

Alpha Sigma Phi

The brothers of Alpha Sigma Phi have been busy preparing their house for rush week. They wish to enlarge their organization this year in order to start a bigger and better fraternity.

To begin the social activities of the fraternity a Welcome Back Party was held at the Cherry Hotel with the brothers and their dates in attendance. A supper was held at Parker's Restaurant for all of the Alpha Sig brothers and their guests.

The fraternity wishes to announce the election of Bobby Sutton as president of the Intramural Athletic Council for the coming year.

The newly elected officers of Alpha Sigma Phi are as follows: Charles Smith, treasurer; Woody Daly, house manager; and Randall Kenney, chaplain.

Sigma Phi Epsilon

Sigma Phi Epsilon held a banquet at Parker's Restaurant. The banquet was attended by the brothers and their dates with honorary members and sponsors also present. At this affair Ed Cloyd was welcomed back into the brotherhood after his year of study at Florida State University.

In preparation for Rush Week, President Dave Mustian extended an invitation to all new male students to visit the Sig Ep house. This year the program will be under the leadership of Lynn McIver.

The brothers of the Iota Chapter of Sigma Phi Epsilon congratulated Floyd Morgan on his recent marriage to Ann Creel September 3.

Sigma Pi

The men of Sigma Pi Fraternity have been busy preparing their home for the coming year. The entire outside of the house has been renovated and the floors and halls have been worked over and stain-

ed. Jimmy Taylor, president, stated that the men of Sigma Pi have expressed their invitation for anyone to feel free to visit with them any time.

The men of Sigma Pi have recently invited Jack McComas to serve as their faculty advisor for the coming year. "We are certain that we will surge forward under his guidance in the future," Taylor stated.

During the past two meetings, brothers Billy Batchelor and Jimmy Taylor have given detailed reports of the proceedings of the National Sigma Pi Convention held in Williamsburg, Va., September 6-10.

Delta Sigma Phi

The fall dance will be held in the Armory tonight. The Embers, from Raleigh, will be playing. Bob Matthews stated that he expects to see a big turnout for this dance.

The Delta Sig's have purchased a piano and have received a juke box for the house.

Plans are now being made for the annual Faculty-Neighbor Reception. This affair is to allow the Faculty and Neighbors to get to know all the brothers of Delta Sig.

The Family Day held last year proved to be a big success. Parents, brothers, and sisters have a chance to visit the house and to become better acquainted with the ways of fraternity life in the Delta Sig house.

Congratulations were extended to Brothers Leonard Barlow and Chuck Woodland. Leonard recently married Margie Dixon and Chuck became pinned to Mary Cobb Forbes.

The Rush Week committee is making plans for next week activities.

Just what does Catholicism stand for? What are its good and bad points? How will the coming election be affected by these questions?

These were several of the questions the United Campus Christian Association discussed at its last regular meeting. The Reverend James Wallace, minister of the First Christian Church, was the moderator.

The UCCA hopes to continue this study at its next meeting scheduled for October 11. The group hopes to enlist the aid of a Catholic priest to discuss other vital issues.

What is the daring truth about this who says:

I PASSED FOR WHITE

It was sad...

When that great ship went down and the last thing to leave the sinking ship was a bottle of Coca-Cola. That's because all hands stuck to Coke to the end. Now there's popularity! That's the kind of loyalty the sparkling lift, the good taste of Coke engenders. Man the lifeboats, have a Coke!
