Miss Homecoming Crowned Tonight At Coronation Ball

As the bewitching hour (about 10 p. m. tonight) approaches when one of 19 lovely Atlantic Christian College coeds changes into Miss Homecoming of 1961, anticipation heightens and butterflies flutter inside the aspirants.

Weeks of detailed planning having gone into the 1961 version of Homecoming at ACC. But James D. Daniell, Homecoming chairman, comments, "Reports from all committee chairmen indicate everything is in order. I'm looking for this one to be the best in history."

The whirl of activities is kicked off tonight as the Coronation Ball gets underway at 8 p. m. in the lobby of the Classroom building.

Actually, activities got underway a little sooner. Students began working on floats at 8:30 a. m. yesterday. And at about 6 tonight a caravan of cars, led by the Cheerleaders, will leave Centre Brick No. 3, where floats are being constructed, and head for the College.

Promptly at 11 a. m. Saturday the giant 34-unit Homecoming parade will make its way through downtown Wilson and out to the College. Rather than as previously reported, float winners will be announced at the half-time of the basketball game Saturday night instead of in front of the library following the parade.

All alumni will gather for a luncheon and business session at 12:30 p. m. in the Dining Hall.

Following this at 3:30 p. m. a special Naming of Buildings service is scheduled in Howard Chapel. Students as well as faculty have been urged to attend this service.

Students, faculty and alumni will be able to look over the President's home, 303 Wilshire boulevard, between 3:30 and 5:30 p. m. tomorrow at an open house.

During the same hours all facilities on campus will be open for inspection. Recognition will be made at the basketball game of those people winning in the campus open house contest, according to D. L. (Pete) Warren, chairman of the campus open house committee.

At 5:30 p. m. the Cheerleaders will drum up school spirit during a pep rally to be held on campus.

The Classes of 1941, 1951 and 1956 are scheduled to hold reunions at 6 p. m. in various eating places throughout the city.

At the same hour Fraternity and Sorority dinners honoring their respective alumni will be held.

The Fighting Bulldogs come up against the Falcons from Pfeiffer college in a North State Conference basketball game in the Community center at 8 p. m.

Homecoming will wind up following the Homecoming dance in the Classroom building beginning at 10 p. m.

Dr. C. F. Lehman Heads Band Now

Dr. Charles Frederick Lehman Jr. has joined the faculty of Atlantic Christian College here as director of the College's band, Dr. Arthur D. Wenger, President of ACC, announces.

With broad experience in band and orchestral work, Dr. Lehman will teach several courses in the Department of Music in addition to directing the band. Dr. Lehman replaces Darrell G. Harbaum who resigned at the close of the fall semester.

"Dr. Lehman has a broad background in music," commented President Wenger. "We are indeed fortunate that he has agreed to be with us for the spring semester," he concluded.

The new band director received his undergraduate education at State Teacher's Colleges in Buffalo and Fredonia, N. Y. Both advanced degrees—Master of Music and Doctor of Education—were earned at Syracuse University.

Dr. Lehman has held assignments as a teacher, chairman of the music education division at Texas Christian University, and chairman of the Department of Music of Delta State College.

In addition to membership in the Episcopal Church, Dr. Lehman holds membership in the National Education Association, Phi Delta Kappa and Phi Mu Alpha.

An inventor as well as a musician, Dr. Lehman invented, patented and is marketing the Kontour pen—a ball point pen curved to fit one's fingers. He also holds a patent on a convertible clarinet.

Dr. Lehman says he has patents pending on such inventions as a staff liner, music stand, notronome and auxiliary keyboard podium.

Articles written by Dr. Lehman have appeared in the Journal on Educational Research, Journal on Music Research, Instrumentalist, and Vistas.

WILLIE MILTON BRANNAN JR., right, receives the coveted Wilson Chamber of Commerce Outstanding Business Major award from Hargrove Bowles, director of the N. C. Department of Conservation and Development.

Willie Brannan Gets Top Business Award From Chamber Of Commerce

Willie Milton Brannan, Jr. from Zebulon received the Outstanding Business Major award which was presented by Hargrove Bowles, Director of North Carolina Department of Conservation and Development at the opening banquet of College Appreciation week Monday.

Mr. Brannan was selected by a vote of the Business Department faculty. Some of the qualifications taken into consideration for selecting this award winner were good academic standing, personality, character, maturity and stability, oral and written communication, ability to organize, ability to get along with others and professional interest.

Brannan, who graduated in January, was an accounting major and an English minor. Before coming to Atlantic Christian he served eight years in the service on active and reserve duty. He then worked

for an underwriting corporation in Raleigh traveling in 34 counties auditing records at branch offices. He gave up this job in order to come to college. He has supported himself while in school and he and his wife own their own home in Zebulon. His hobbies include carpentry and architectural drafting. Several of his home designs have been used.

Campus activities of Brannan include active membership in the Business Club and in the Accounting Club. He has been a class marshal every year of his four years here and was selected by the faculty for Who's Who Among Students in Colleges and Universities. He is also active in church and community activities in Zebulon.

Brannan is presently employed in Wilson with three corporations doing cost and general accounting and auditing books.

IFC Sets Rushing Dates Feb. 14, 15

Jim Van Camp, President of the IFC, has announced that the rush program will be conducted Tuesday and Wednesday, February 14 and 15. The program provides an opportunity for students interested in Greek life to become familiar with the various organizations.

Women may visit sororities from 3 to 5 p. m. in the houses of the brother organization. Delta Sigma will entertain at the Sigma Pi House; Omega Chi, at Sigma Phi Epsilon quarters; Phi Sigma Tau at the Alpha Sigma Phi House; and Sigma Tau Chi at the Delta Sigma Phi house.

Fraternity visitation is scheduled from 7 to 9 p. m. each evening. Rushes may visit the organizations in any order they choose, but are reminded that they should visit at least two each day, since to be eligible for pledging, each rushee must visit all four organizations.

The Council emphasizes that the purpose of Rush is for the rushee to familiarize himself with the organizations in such a way as will help in choosing membership. The Greeks anticipate a busy week, since they feel there are many students who wish to avail themselves of the advantages of Greek life.

Exec Board Approves Radio Funds; Stone, May Are Collegiate Aids

By GUY MILLER
The Atlantic Christian College radio station — WACR—is one step further along the road to reality.

In its meeting on Monday night consisting almost entirely of financial business, the Executive Board allotted to the Radio Club the requested funds for initial set-up of the station and for broadcasting expenses during the remaining part of the current semester. The amount allocated was \$449.

Doug Ouzts and E. B. Shearin made a second appearance before the Board, giving more complete and detailed information as to the station's policy and proposed programming.

In discussion on the matter, much thought was given to the possibility of whether the Executive Board has sufficient funds

with which to support this activity. With this in mind, Frank Brooks made the motion that the Board accept the proposal presented by the Radio Club and, if necessary to obtain sufficient funds for it, take away from the scheduled \$1,000 Executive Board contribution to the student union fund.

It was stated that final approval for the radio station now rests with the Student Life Committee and the Administrative Council.

Ken Bryan, vice-president of the Cooperative Association, presided at the meeting in the absence of the president, Dave Smith. Bryan presented a petition by letter from Mr. Ed Beeler, Chairman of the Publications Committee, requesting that Alton Lee be appointed as editor-in-chief of THE COLLEGIATE for the remainder of the school year. It also requested that Lee be

authorized to appoint two assistant editors, Patsy May and Bob Stone, who will perform duties formerly executed by T. Riley.

The petition was accepted by the Board.

Frances Evett, a representative from the SNEA, appeared before the Board to request financial help in sending representatives to the SNEA convention. The petition asked for \$150 to permit 15 members to represent ACC at the convention.

The proposal was denied, strictly because of lack of funds in the Executive Board treasury. The Board was extremely sympathetic to the SNEA cause, but felt that it could not allot the requested amount at this time.

Miss Evett agreed to present a new proposal at the next meeting.

GOVERNOR TERRY SANFORD holds onto the plaque which makes him an honorary ACC Bulldog for life. IFC president Jim Van Camp, left, and Dave Smith, Cooperative Association president, right, look on. Governor Sanford was on campus in connection with College Appreciation Week. He spoke before a group of more than 200 industrial and higher education officials in Hardy Dining Hall and later visited the Women's dormitory Monday night.
