Exec Board Hears Parents Day Plans

The Executive Board, meeting in the Classroom Building Monday night, heard Mr. Woden Allen speak concerning the preparations for Homecoming and Parents' Day. It also made plans for keeping the Co-op building open during the day to provide a source of information for faculty and students on matters concerning the Student Cooperative Association.

Mr. Worden Allen outlined plans for the upcoming Homecoming celebration. He stated that the concert, which was originally slated for Saturday afternoon, had been removed from the schedule due to cancellation of the contract by the singing group which had been secured.

President E. B. Shearin suggested that board members volunteer their time to keep the Co-op building open during the afternoons and evenings of week days in order to provide information to interested persons concerning school activities and SGA affairs. This is to go into effect as soon as a schedule can be arranged.

Leading off the second day of activities will be Campus Open House. Judging will also take place in the dormitories and fraternity houses.

Alumni Luncheon

The Alumni Luncheon will begin at 12:30 p.m. in Hardy Dining Hall with Robert Webb presiding. Invocation will be given by Daniel Hensley, Jr., Chaplain, and followed by the welcome which will be presented by Mr. Webb, president of the Alumni Association. The members will then elect new officers who will serve for one year.

"Hail and Farewell"

Mildred Ross, better known as "Miss Mildred," will be honored Saturday afternoon by many of the returning alumni. "Ave atque Vale," a skit will be presented in the chapel in her honor.

The vocal ensemble, again under the direction of Mr. Cobb, will present a concert at Fike Auditorium at three o'clock.

Student Fund Campaign Re-Schedule

By JESS MAGHAN

The beginning of the student fund campaign has been rescheduled to begin Feb. 18, and will last until March 11.

The student drive will be a subdivision of the College Family Gifts Committee, which includes the Board of Trustees, administrative staff, faculty, and student body.

This committee will be the first to be activated in the Campaign. Solicitation is scheduled for early completion so that their pledges will serve as pace-setters for the generous giving on the part of those less closely related to the college.

Voluntary Basis

Pledging by students to this effort will be strictly on a voluntary basis. Large sums are not expected nor to be sought. It is hoped, however, that all students will want to provide tangible evidence of the loyalty

CCA Is Planning New Type RE Week

As was previously announced, the Campus Christian Association is sponsoring a new and experimental type of program of religious emphasis for this year. Several speakers representing different fields of interest will be on campus during the second semester. Each visitor will be on the campus for a two-day period, during which time he will deliver a major address before the entire student body relating his area of interest to religion. For the remainder of the two days, each man will be available for class visitation, discussion groups, and individual consultation with students and faculty.

So far, three men have been secured. Dr. Winfred E. Garrison, who will be here the latter part of this month, will open the program. He will relate the area of history to religion. Dr. Garrison is a professor at the University of Houston and is one of the most eminent men of the Disciples of Christ brotherhood. He holds the Doctor of Philosophy degree as well as a number of honorary doctorates.

and appreciation for Atlantic Christian College by giving something.

If the student drive is able to generate a large percentage of participation, it will provide another stimulus to generate the giving with much greater financial capacity.

A convenient 36-month payment period has been arranged. Each donor's pledge begins when he signs his pledge card. The pledge can be paid, however, annually, semi-annually, quarterly, monthly, or according to any schedule the donor may prefer.

Over 100 Students

According to a report by Hatten Hodges, chairman of the student division, more than 100 students have already volunteered to work in the campaign. These volunteers will contact every member of the student body during the campaign and discuss with them the various aspects of the capital campaign and the importance of the student pledge in the drive.

The over-all campaign received a tremendous stimulus last week

when \$33,000 was pledged in the Initial Gifts Division.

Oscar Wilde Play To Be Presented By Stage and Script Feb. 13-15

Stage and Script will present "The Importance of Being Earnest" written by Oscar Wilde, Feb. 13, 14 and 15 in Howard Chapel at 8:15. The three-act play is under the direction of Cecil Willis. The cast is composed of: George Farr, Zeb Jones, Sankie Glenn, James Burroughs, Lynn Norfleet, Ann Morgan, Bob Royal, and Arthur Pritchard. "The Importance of Being Earnest" concerns a young man's visit to his old friend, John Worthing, who is played by George Farr, and the young man's attempt to propose marriage to a fair young lady. The play revolves around the name of Earnest. Algernon Moncrieff, played by Zeb Jones, is concerned over the circumstance of why John has been using a false name as Earnest. All the names are falsified. Tempers flare, embarrassing situa-

tions arise, and a general frolic of conversation makes for a most enjoyable evening for all.

A tentative date of April 10 will be the presentation of the three one-act plays. They will be "A Child's Garden of Curses," "Flyspray," and "Caesar and Cleopatra." All three one-act plays will be under the direction of Cecil Willis. Main characters in "A Child's Garden of Curses," will be Bob Royal, Arthur Pritchard, Barbara Lewellyn, Jim Burroughs, Fred Barber, and Zeb Jones.

"Queen Christiana" will be presented in early March, and in early May a staging on the campus of Atlantic Christian College will be the scene of the Shakespearean drama, "Romeo and Juliet."
