Budget Is Given Board's Approval

The Executive Board of the Co-operative Association held its regular meeting Monday night. The main topic of discussion was the Co-op Budget.

Richard Surlis, Vice President and Chairman of the Budget Committee, presented the proposed budget to the Board. Among other items discussed, Surlis reported that the Budget Committee recommended that \$420 be added to the proposed budget of the Collegiate in order to make possible seven additional six page papers. This recommendation was accepted, and the budget was later presented for adoption. It was adopted by the Board with a total balance of \$20,427.89.

Stuart Lee, Sophomore President, reported that the Sophomore Class was now out of debt as a result of the dance held last Friday night which was sponsored by the Sophomore Class.

The Rules of Procedure for the Executive Board were then presented for discussion and approval. The election rule was amended so that class officers, who are themselves

running for an office, will not participate in the counting of the votes.

Dean Bennett reported that the telephone situation in the Men and Women's Dormitories was presented to a meeting of the Administrative Council last week and was now under investigation.

Gina Allen, Senior Senator and Chairman of the Committee on Committees, moved that the Board accept the structure of the standing committees. Miss Allen was asked if Paul Donnelly had been appointed co-chairman of the Concert and Assembly Committee. She reported that he had not been appointed to that position, and that she had not been informed about making such an appointment. It was then brought out that Donnelly had been appointed temporary co-chairman by President Lee Horne two weeks ago in order that he might work on preparations for the Four Freshmen Concert. Donnelly had accepted the position with the understanding that he would be given consideration for permanent co-chairman. Since Miss Allen was not informed of Horne's decision Donnelly did not receive the position.

A letter of apology and explanation has been sent from the Board to Donnelly.

After a statement had been read to the Board by Dean Bennett concerning the Sophomore Dance the Board adjourned.

Dean Bennett Declares Rumors Spread About Sophomore Class 'Are Without Any Foundation'

"H. Stuart Lee, president of the Sophomore Class at Atlantic Christian College, will not be removed from his position; the Sophomore Class will not be placed on social probation; and there will be

future dances held on the ACC campus," according to Robert E. Bennett, dean of students.

Rumors to the contrary began circulating on the campus last weekend following a Sophomore Class

sponsored dance held Friday evening during which a small number of participants caused a disturbance resulting in a cut lip and several flattened egos.

Authoritative sources claimed the disturbance was prompted by a group of late-arrivers who were not students at ACC and who were in a state of mild intoxication. The dance had been opened to the public and there were an estimated 500 persons present.

Lee was summoned to Bennett's office last Monday afternoon for a discussion of the disturbance and was informed by the Dean that the Sophomore Class did not have the authority to invite the public to a class sponsored dance without the approval of the Dean of Students' office. Lee contended that he could find no regulation forbidding him to invite the public; consequently, he felt he did not have to have approval from the Administration.

In a statement made before the Executive Board of the Cooperative Association on Monday night Bennett had this to say: "No administrative action in the way of social probation for the Sophomore Class, or any of its members is contemplated at this time. Any violations of college regulations, written or unwritten, apparently stemmed from the lack of communications among the various campus agencies, both student and administrative. Steps to prevent situations of this type from arising in the future are already underway; in fact, these steps were being considered prior to the Sophomore Class dance."

Bennett informed The Collegiate late Monday that an investigation is underway to determine if the Board of Trustees of the college has ever stipulated in its minutes whether or not the public may be invited to a dance held on the ACC campus or one in which a class is sponsoring.

The Dean added, "There will be no official action taken by his office to limit the activities of the Sophomore Class as a result of the disturbance last Friday; however, future plans and projects of the class will be under closer observation."

Sophomore Class Is Out Of Debt

Stuart Lee, President of the Sophomore Class, has reported that the Class is now out of debt due to the success of the class sponsored dance held on September 25.

Until the dance was held the class had been \$80 in debt. The debt had been created as a result of a dance held last spring. At that time the class finished the academic year \$80 in the red. At the beginning of this year the \$80 debt had to be subtracted from the class budget of \$150, leaving a budget of \$70.

From the results of this year's dance a total profit of \$265 was made. By eliminating the final \$80 debt the class now has a budget of approximately \$335.

George Miller Is State YDC Head

George Miller of Durham is the new president of the North Carolina Young Democrats Club. Miller was elected at the group's annual convention at the Hotel Sir Walter in Raleigh this past weekend.

The new head of the State YDC was reported to have the support of the L. Richardson Preyer forces while his opponent Doran Perry was believed to be backed by Democratic gubernatorial candidate Dan K. Moore. Preyer was defeated in a runoff in the Democratic primary election last May by Moore.

The convention began Thursday with an assemblage of authorized college and county YDC units from throughout the state.

Preyer supporters challenged the authority of certain unchartered clubs to be seated in the convention hall resulting in several clubs being denied participation in the election. This was viewed as a direct attack by Perry on his chances for winning the election.

U.C. Greeks Remain Under Suspension

LOS ANGELES — Fourteen of the fifteen fraternities and sororities suspended at the University of California for refusing to sign a non-discrimination pledge were still under suspension last week.

One of the fraternities, Lambda Chi Alpha, signed the pledge and was returned to good standing last week. Twelve sororities and two fraternities at three of the Univer-

sity's campuses remain forbidden to use the University of California's name or facilities. In addition, they have been barred from many student-sponsored activities on their campuses.

Eleven of the disciplined chapters are at the Los Angeles campus. Involved are one fraternity, Acacia, and ten sororities, Alpha Delta Pi, Alpha Gamma Delta, Delta Delta Delta, Delta Zeta, Gamma Phi Mu, Pi Beta Phi, Sigma Kappa, and Beta Tau Alpha. The other three chapters are Acacia, at the Berkeley campus, and Sigma Kappa and Pi Beta Phi, at the Davis branch.

The pledge, which chapter presidents must sign annually, reads as follows:

I hereby certify that members (of my fraternity) are free to choose and accept new members without discrimination as to race, religion or national origin.

Dean of Students Byron H. Atkinson of the UCLA campus has expressed the belief that many houses will sign the pledge even though the deadline has passed. Any house that does sign will regain its lost privileges, he said.

Included among the Berkeley signers was Pi Beta Phi, a sorority, which, along with its sister chapter on the UCLA campus, attempted to have the California courts preliminarily enjoin the University Regents from enforcing the deadline.

The University must now face the problem of enforcement. Some sororities have indicated that in order to enter traditional campus events, they might attempt to skirt the University policy by posing as ad hoc student groups. Traditionally ad hoc groups have had little trouble entering campus activities.
