## ACC Set for Annual Homecoming

### Curriculum Room Moved In Library

By ELWOOD VANN

The teacher certification program was given a real boost recently with the transfer of the curriculum lab in the library to a larger, more suitable location just across the hall. The former location in the smaller room upstairs in the library had been intended from the beginning to be a temporary home for the facility.

In its new location the curriculum lab is expected to develop into one of the finer labs of its kind in this area.

To be accredited by the National Council for Accredited Teacher Education, an institution must have a facility of this nature available for use by teacher trainees.

A curriculum lab is a reference room containing materials concerned with the techniques of teaching and other related matter. The educational reference room at ACC will, in the course of its development, provide student access to current textbooks used in the public schools, methods texts, curriculum guides, course outlines, a complete selection of subject pamphlets, and visual and audio collections.

It is hoped that a group of periodicals related to the teaching profession such as the NEA Journal, Science Teacher, and School Review, may be added to this collection.

In its infant stage the curriculum lab will be open Monday through Friday during the hours of 9 to 12 noon, 3 to 5 p. m., and 7 to 9:30 p.m. As the facility develops and the need arises the hours will be extended.

Another added feature will be the presence of library personnel to assist students in locating materials. Materials may be checked out from the library through the personnel on duty in the reference room. Materials may be returned or renewed at either this upstairs check-out or at the main check-out desk.

### Handbook Editor

Naomi Holt of Wilson, has been appointed editor of the 1965-66 Student Handbook at ACC, according to Elmer Lee Horne, president of the Cooperative Association.

Named assistant editors were Kathy Traylor of Winston-Salem, Gina Allen of Farmville and Stuart Lee of Elizabeth City.

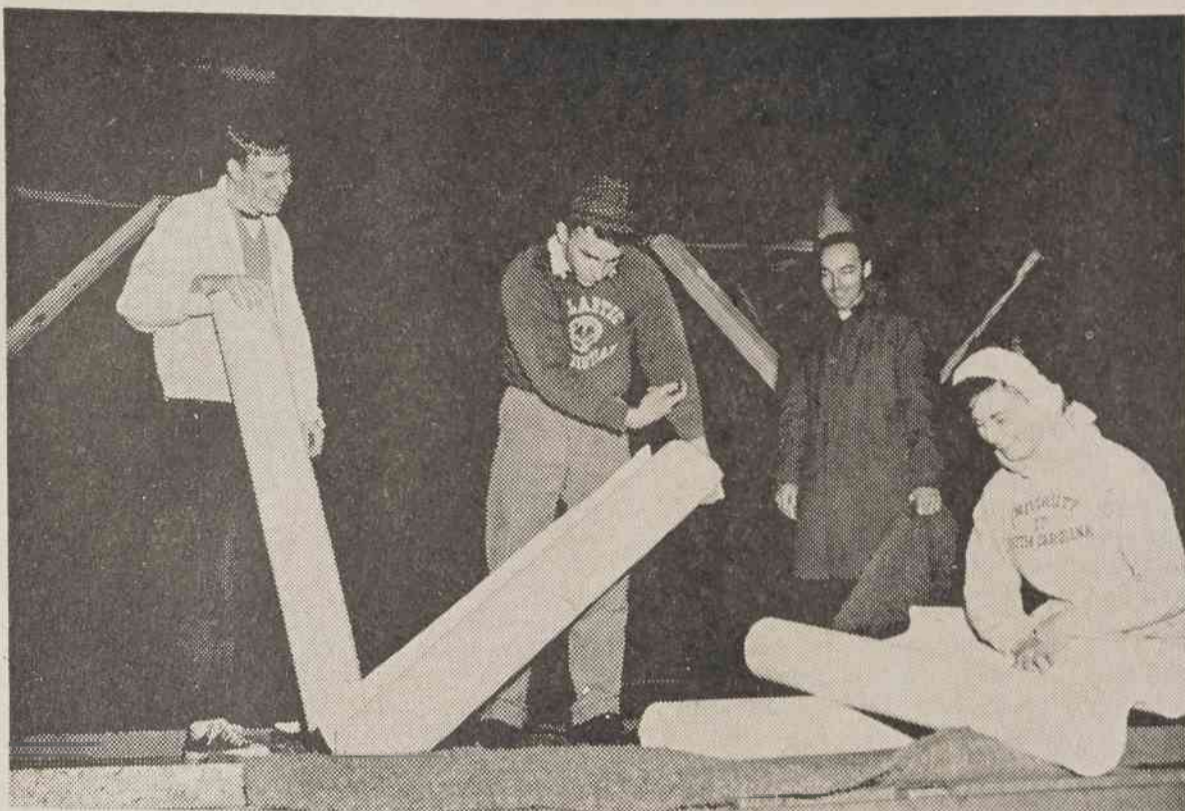

### IFC Prepares For Rush Week

The Inter-Fraternal Council of Atlantic Christian College has announced that Spring Rush will be held February 8, 9, and 10.

All male students are invited to attend between 7 and 9:30 p.m. on these dates.

The IFC believes "that a fraternity will benefit each student. . . students are encouraged to visit each house and find out what it can do for them."

Addresses of the Houses are as follows: Delta Sigma Phi, 804 Nash Street; Sigma Pi, 307 Whitehead Avenue; Alpha Sigma Phi, 109 Rountree Street; and Sigma Phi Epsilon, 701 Nash Street.

BEFORE THE PARADE, GLUE, BOLTS, AND NUTS—Left to right are "C" Todd, Hubert Burden, Murray Beacham, and Brenda Atkins as they analyze construction problems in the building of the Senior Class float for the Homecoming festivities parade.

### Will Feature Many Activities During Festive Weekend

Atlantic Christian College's annual Homecoming will be held on Feb. 6.

Leading off the festive activities will be the "Homecoming Parade" to be held in downtown Wilson beginning at 10:30 a.m. Included in the parade will be bands, sorority, fraternity and class floats and a host of college beauty queens.

Registration will begin at 11 a.m. followed by a fellowship hour for returning alumni. The annual Alumni Luncheon and business meeting will be held in the campus cafeteria at 12:30 p.m. Presiding over the meeting will be Miss Naomi Morris, president of the ACC Alumni Association.

Among highlights of the day will be the Second Alumni College which is scheduled to begin at 3 p.m. Theme of the event will be "The Dilemma of Modern Man." Three panel discussions are scheduled, each of which will relate the general theme to different aspects of American life — religion, science and government.

Each panel will explore the complexities and challenges which confront modern man, how they have affected his life and changed his mode of behavior, and what solutions or partial answers religion, science and government can provide today's civilization.

Holding class reunions will be classes of 1925, 1935, 1940, 1945, 1950, 1955, 1960 and 1963. A Pioneer Reunion will be held by classes 1903-20. A reception will be held at 4:30 p.m. for the class of 1940 which will be celebrating its Silver Anniversary. Reunion dinners will be held at 5:30 p.m., while sorority and fraternity dinners will be held at 6 p.m.

A large number of sports fans are expected to attend the ACC-Pembroke basketball game which is to be held at the Wilson Community Recreation Center. Guests will view colorful halftime activities at which time the Homecoming Queen and her court will be presented and the ACC band and majorettes will perform.

Closing activity of the day will be the Homecoming Dance to be held in the lobby of the college's Classroom Building.

### Typewriter Is Returned

On Thursday, January 28 a typewriter was stolen "mysteriously" from The Collegiate office and returned early the following Saturday morning.

The theft was the second of its nature this year at Atlantic Christian College. Approximately two months ago a typewriter was found missing from the Executive Board offices, however, this typewriter has not been returned.

Brent Hill, Collegiate editor, said Tuesday, "Our staff would like to take this opportunity to extend a most hearty thanks to this kind thief and wish him the worst of luck in future ventures."

### Constitutional Revision Is Discussed By Co-Op

The newly proposed Constitution and By-Laws was given a unanimous vote of approval Monday night by the Executive Board. This step marked the successful clearance of the first step for the final approval of this document.

During the previous week the Executive Board had spent many hours in called meetings discussing the Constitution that had been reported by the Constitution and By-Laws Committee, and a number of corrections and additions were made during their meetings. After the Constitution had been approved by the Board, President Lee Horne thanked the Board and the members of the Constitution and By-Laws

Committee for all the time and effort they had applied to this project.

On Tuesday the proposed document was presented to the student body and on Thursday there was discussion and debate with the Constitution and By-Laws Committee.

On Feb. 8 all amendments to the Constitution will have to be turned into the office of the President of the Cooperative Association by 4 p.m., and voting on the added amendments will take place on Feb. 9. Voting on the complete Constitution and By-Laws will take place on Feb. 15-16.

Once the Constitution has received the approval of the Cooperative Association the final step will be obtaining the approval of the Board of Trustees. The Trustees will meet on Feb. 24 and will consider the Constitution at that time.

INTRAMURAL BASKETBALL—Shown above are some of the players in the intramural basketball game between Hackney B team and Delta Sigma Phi B team. The Hackney squad won by a substantial margin.

### Homecoming Parade Is Set For 10:30, Feb. 6

The Annual Homecoming Parade will be held Saturday, February 6, 1965, beginning at 10:30 a.m. The parade will include approximately 40 units consisting of 11 floats, 4 bands, 10 antique cars, 11 late model convertibles carrying members of the Homecoming Queen Court, a 1965 model carrying the Queen, and the Grand Marshall car in which Dr. Arthur D. Wenger will

ride. The ACC band, Fike High School band, Elm City band, and the Rocky Mount High School band will participate in the festivities.

The parade will begin on South Douglas Street, proceed to E. Nash Street, travel down Nash Street to Whitehead Avenue, turn down Lee Street and travel past Atlantic Christian College, turn at Deans Street, and disassemble in the Gold Park area.

Trophies will be given to the best float and the runner-up float in both the fraternity division and sorority division. These will be presented during half-time at the basketball game at Wilson Recreation Center.

A \$25.00 prize for first place class float and a \$10.00 prize for the second place class float will be awarded.

Work on the floats began Tuesday afternoon and will be continued until late Friday night.

### NOTICE

All students interested in trying-out for the Atlantic Christian College Bulldog's baseball team should meet in the ACC Gym at 4 p. m. Monday.

All candidates for track and field athletics are asked to meet with Coach Dixon in Room 112 of the Classroom Building at 4 p. m. Monday.
