CHEESECAKE EGG—Shown above are two rather appropriate combinations for this coming weekend. Vivian Tonn, ACC coed Freshman from Durham, would make any sleepy carrot wide-awake in hope of welcoming this Easter bunny. Of course the Easter egg behind the bunny seems quite a bit ahead of the carrot.

No Money For Co-Op Cabinet

The Executive Board met last Monday evening for the first time in two weeks, since there was no meeting last week because a quorum was not present.

The starting note for the meeting was the introduction of a motion which would have granted tuition scholarships to the cabinet officers of the Cooperative Association. A \$75 tuition would have been granted to the President per semester, with \$50 going to the Vice President, Secretary, and Treasurer per semester. The motion was defeated when con-

cern over possible expense was expressed.

A letter from Cecil Willis asking that an additional \$300 be granted to Stage and Script for the presentation of the Shakespearian Festival was read to the Board. The additional funds would be used to secure a special speaker, and the Board decided to table the matter until later in the week for want of further investigation.

David Webb moved that an amendment be added to the Constitution of the Cooperative Association stating that a petition signed by 30 members of the Association could call a meeting of the Co-op to review any decision of the Executive Board and overrule a decision of the Board with a majority vote if at least one-fourth of the total membership is present. The motion passed.

Final action of the evening came on a motion which would have amended the Constitution and By-Laws to include the Honor Policy

Greek Week Is Festive Occasion

Greek Week festivities were begun on Wednesday night, March 31, with the Greek Sing. Emcee for the event was Gid Alston, Alpha Sigma Phi. Winners in this event were Phi Sigma Tau with their song from "The King and I", "Whistle a Happy Tune" and Sigma Phi Epsilon doing "The Whifferpuff Song."

Thursday night activities included a stunt and talent event with Robert Bonner of Alpha Sigma Phi doing the emceeing. Omega Chi took both awards in this event for sororities. Their talent was Frances Atkins doing dramatic reading. Their stunt contribution was "Keystone Cops." Sigma Pi took the talent award in the fraternities division with Lloyd Owens' organ selection. Fraternity stunt award went to Sigma Phi Epsilon's "The Whistler."

Friday night found the Greeks at their annual banquet at the Ship 'n Shore Restaurant. Miss Ward introduced the guest spaker at the occasion who was Mr. Sam D. Bundy of Farmville, N. C. and principal of Farmville High School. Stunt, talent, sing, and scholarship awards were presented by Robert

Bennett, Dean of Men.

Winners of the Scholarship Trophy were Sigma Phi Epsilon and Phi Sigma Tau.

A big event of the annual affair was held at Fike High School Auditorium. A concert was given by "The Shirelles" with emcee Don Emory of Delta Sigma Phi on Saturday afternoon.

Phi Sigma Tau, the oldest Greek Letter organization of Atlantic Christian College, has officially been accepted as a pledge group of Sigma Sigma National Sorority. After extensive research with member sororities of the National Panhellenic Conference the sisters signed an official petition to Sigma Sigma on January 6, 1965.

The objective was to seek national sororities with the same or similar ideals as those of Phi Sigma Tau and of the college. After interrogating a number of national groups and obtaining a complete knowledge of national sorority organizations, the delegate from Sigma Sigma national headquarters, which is presently located in Dallas, Texas, visited Phi Sigma Tau and the petition was signed.

Tri Sigma was founded in Farmville, Virginia, at Longwood College. Since its beginning in 1898, Sigma Sigma Sigma has initiated well over 22,000 young women into its sisterhood. There are chapters all over the United States with the nearest being the Gamma Beta Chapter of East Carolina College, which was chosen the third best Tri Sigma chapter in the nation last year.

As its philanthropy, Sigma Sigma Sigma has established the Robbie Page Memorial Fund with its purpose being to increase the store of knowledge concerning polio and thereby aid in its cure or treatment. Among the grants made from this Fund was one to help finance

the Salk Vaccine testing program. The 1956 National Convention, which is the ruling body of the national organization, directed that contributions from the Memorial Fund be given to the North Carolina Memorial Hospital in Chapel Hill, North Carolina, for aid in the rehabilitation and convalescence of children patients. Accomplishments include an intercommunications system which carries music and stories to individual rooms, toys and coloring books which help children adapt to the new routine of hospital, and a Children's Room designed for the play therapy program being developed by the pediatrics staff whose graduates go all over the country.

Late in February of this year, Phi Sigma Tau confronted the Board of Trustees of Atlantic Christian College expressing their desire to become affiliated with a national sorority. In doing this, Phi Sig has paved the way for other groups on this campus who desire investigation and possible national affiliation. Again they have proved to be pioneers among the Greeks as they are the first on this campus to pledge a national sorority.

Fall Rush 1965 will be carried out under the name of Sigma Sigma Sigma. Upon reaching its stipulated quota requirement Phi Sigma Tau will officially begin its pledge training. After completing the pledge training the local sorority will be installed as the Gamma XI chapter of Sigma Sigma Sigma National Sorority.
