Poster Code Is Available To Students

Poster regulations of the Student Government Association have been finalized and made public this week. According to Paul Land, chairman of the Poster Committee, the publication of poster regulations should eliminate unnecessary question over what channels are required to go through to place posters on the campus.

The following is a sheet of the regulations:

Persons with posters pertaining to employment or placement are to go through the office of the Dean of Students for instructions.

A committee composed of one student from each class and a student chairman shall be approved by the Executive Board and shall be responsible for enforcing the poster regulations. All posters must be approved, initialed and dated by a member of the Poster Committee.

Board Backs Student Solicitation Campaign

By **JOYCE COPELAND**

The Executive Board met Monday with President Doug Dexter presiding. The College Development Committee requested that the board back a program to solicit students in their fund drive.

The first motion of the issue was in opposition to the Committee's request. A motion to floor the first motion was opposed after considerable debate. The motion which opposed student participation in the Development Fund Drive was disapproved.

Step two: A proposal was presented to bring the Development Fund issue to a vote of the student body. The negation once again ruled the day.

Step three: John Hyson moved that a committee be formed to present the fund issue before an assembly of the students of ACC. Hyson felt that merchants and businessmen outside the immediate college family would not support the fund drive if the students themselves showed no interest.

Bobby Dunn added a section to Hyson's motion, Hyson was to be chairman of the committee. The board approved Hyson's appointment, then approved the motion to form the committee.

Step four: The aforementioned committee was given the "honor" to solicit funds, if the student body wants to be solicited.

Elections

Elections are nigh upon us. The Executive Board was confronted with several dates for the election of officers for 1968-69. Dates set for the elections are Feb. 21 through Feb. 23, filing dates; Feb. 23 through the 29, campaigns; Feb. 29, speeches.

The election itself will be held Feb. 29 through March 31 with run-offs on March 4.

The following dates were set for election of class officers: March 14 through March 15, filing dates; March 14, class meetings; elections, March 21; and run-offs on March 22.
