Faculty Discusses Candidates

By LYNN JOHNSON

With elections drawing near, Atlantic Christian College is getting into pre-election activities. On Oct. 31 and Nov. 1, a mock election, sponsored by the Campus Awareness and Student Center Committees, will be held on the campus.

In conjunction with the election, the Campus Awareness Committee sponsored a panel discussion on the candidates. Those on the panel were: for Humphrey, Dr. Mildred Hartek, chairman of the English Department and Dr. William O. Paulsell, chairman of the Religion Department; and for Nixon, Dr. E. D. Winstead, chairman of the Mathematics Department and Hugh B. Johnston Jr. of the Department of Modern Languages. Dr. Arthur

Wenger served as moderator for the group. Each panelist was given a three-minute opening statement, followed by questioning among the panel members and questions from the floor.

Humphrey Support

Dr. Hartsock urged support for the Humphrey - Muskie ticket on the basis of Humphrey's solid record on civil rights issues, his support of Medicare, Social Security, and the Peace Corps. "When he talks about 'law and order,'" she said of Humphrey, "he recognizes that the big stick alone cannot suffice. He proposes better training and better status for police. He recognizes that real solutions to violence in the streets must involve programs for bettering conditions in the urban ghettos." She also pointed out

that Humphrey has said that he is in favor of a halt in bombing in Vietnam and that he advocates a strong farm support program.

Nixon's Points

In support of Richard Nixon, Johnson stated that Nixon recognizes the fact that the ghettos are private property and that "rebuilding them would make the federal government a sort of national landlord at the fantastic cost of 10 to 100 billion dollars." Nixon advocates a policy of educating the poor in order to help them to qualify for better paying jobs. Johnston also stated that Nixon opposes "the militant type of protests that are actually blackmail backed by threats of arson and looting." Nixon does not find an excuse "for an individual or any minority group to act outside the

law against the happiness and security of their fellow citizens."

In conclusion, Johnston stated that Nixon "wishes to restore the confidence of both nations abroad and of the average American citizen in the integrity of our national leadership."

Party Vote

Dr. Paulsell, speaking in behalf of Humphrey, stated that "95 per cent of the voters are safer in voting for the party rather than the man." He said that the nation has prospered most under Democratic leadership, pointing out that under "solid Republican leadership" the Depression was brought about. "The Democratic Party is the party of new ideas," he declared.

In behalf of Nixon, Dr. Winstead stated that much of our trouble today is due to bad

leadership, including the war in Vietnam.

He pointed out that Wallace would have no party structure behind him if elected and could therefore accomplish little. Humphrey is tied too closely with the Johnson administration and hampered by the rift in the Democratic Party. Nixon, said Dr. Winstead "has a strong posture in foreign affairs. He knows his way around the political scene both at home and abroad." Dr. Winstead also praised Nixon's "political competence."

The American Independent Party and its candidate, George Wallace, were not represented. This was due to the fact that no one volunteered to support Wallace on the panel.

Drive Is Aided By Gov. Moore

Gov. Dan K. Moore kicked off the Korean Orphans' Clothing Drive in Wilson recently by presenting several clothing articles to members of Delta Sigma Phi Fraternity of Atlantic Christian College.

Delta Sigma Phi members have started collection of any types and sizes of old clothing, including shirts, pants, dresses, sweaters, suits, coats and shoes. They are seeking contributions from Wilson and surrounding communities.

The fraternity will sort clothes into about 15 categories during the following week for shipment to Korea. Collection is Nov. 2 from 9 a.m. to 5 p.m. and residents are asked to turn on porch lights so fraternity members will know where to stop for collections.

The clothing project originated at Western Illinois University in 1962 and spread to Millikin University, University of Illinois, Eastern Illinois University, University of Michigan and now to Atlantic Christian College and N. C. State University.

In past years, 55,000 pounds have been collected and more than \$2,000 sent to South Korean

children. This year's goal is 75,000 pounds for all seven contributing chapters and 7,500 for Wilson.

Postage costs for shipping will be defrayed from funds received from a Nov. 15 dance at the Wilson Recreation Center, 8 p.m. until 11:30 p.m. Entertainment will be provided by Clifford Curry and dance sponsors are Williamson Trucking Lines of Wilson, the Wilson Teen Club, Timmerman Insurance Agency of Winston-Salem and Finch Electric Co. of Raleigh.
