

Spring fever causes many unusual actions in an otherwise routine situation. No one seems to have told Miss Dawn Hassell that it snowed this week. (Photo by Ed Harris)

## ACC Student Wins Wilson Pageant

Miss Judith Price Brewer, known to her friends as Judi, Saturday night, February 14 was crowned Miss Wilson of 1970 before some 1,100 people in crowded Fike High School auditorium during the annual event sponsored by the Wilson Jaycees.

Judi, a brown-eyed sophomore at Atlantic Christian College, received the honor near midnight while competing with seven other lovely young women.

Miss Brewer, daughter of Mr. and Mrs. J. K. Brewer, 1000 W. Vance St., was crowned by Miss Mary Alice Beasley, the 1969 Miss Wilson Pageant winner.

Miss Brewer, a graduate of Fike High School, was, during her senior year the winner of the homecoming event, which she served as queen.

Miss Brewer, while at Atlantic Christian College, has been elected a varsity cheerleader each year, and hopes to complete her education and become an elementary school teacher.

The 19-year-old is a member of Sigma Sigma Sorority at Atlantic Christian and represented Wilson in the princess court at the 1968 Azalea Festival in Wilmington.

## CCA Forum

The Campus Awareness Committee will sponsor a forum on the draft system and some possible alternatives Thursday night. CAC has contacted Mr. Michael Rulison of Draft Information Service in Raleigh and an informal session has been scheduled for THURSDAY at 8:00 p.m. in Hines Classroom 207-8.

The session will be oriented to an informal discussion led by the representatives of DIS with time later for individual counseling for those persons who have specific questions concerning their relationship to the draft. Students and faculty are urged to be present.

In high school, she participated in Future Teachers of America program, was a member of the Spanish Club, Booster Club and Keyette Club. Besides being a cheerleader all four years at Fike, she was elected a cheerleader in the North-South Boys' Home Bowl Game in Greenville. She also was a Stunt Night participant for three years and was selected queen of the program as a senior.

At the conclusion of the talent, swimsuit and evening gown competition, each semifinalist was asked the same question: "In your opinion, what are life's greatest treasures?"

Miss Brewer surmised that she felt being one's self and doing what one enjoys best was the answer to the question asked by Dick Ellis, who served as master of ceremonies.

## Top Nurse Assigned

Dr. Lorna W. Thigpen of Wilson, has been named chairman of the newly established Department of Nursing at Atlantic Christian College, according to Dr. Arthur D. Wenger, president of the college.

Prior to her appointment at Atlantic Christian, she served as assistant director of nursing education at the Wilson Memorial Hospital School of Nursing, a position she has held since 1967. Before coming to Wilson she served as professor and director of research in nursing at Emory University, Atlanta. She earlier served as assistant director of the Nursing Education Diploma Program at Baptist Memorial Hospital School of Nursing, Memphis, Tenn., worked in the area of psychiatric nursing and served in the U.S. Army Nursing Corps.

## Amendment Proposed

By AL COOKE

The Executive Board met Monday, March 16 with Junior-Senator Joyce Copeland originating legislation to amend the constitution. Miss Copeland's amendments would make offices of the SGA more easily attainable by students who have transferred from other colleges.

The constitution presently requires that candidates for

president and vice-president must have completed at least two semesters of work at ACC. It further stipulates that candidates for president, vice-president, secretary, and treasurer must have a specific minimum quality point average in all work at ACC. Miss Copeland's amendments would provide that a student could run for president or vice-president if he is enrolled in his second

semester at ACC and that he could run for president, vice-president, secretary, or treasurer on the basis of his total average of work done at all colleges regardless of accomplishments at ACC. Both amendments were passed.

Vice-president Joe Harwood presented a "Statement of Rights and Responsibilities of Students" for study by the board. The board intends to act on it before expiration of their terms of office.

A motion by Student Coordinator Harold Herring provided the Entertainment Committee with \$1,500 from the General Fund for the purpose of holding another free dance in the spring. The board also discussed the lack of a qualified candidate for Pine Knot editor but has taken no official action to resolve this situation.

## Jerry Butler Concert Will Be Held April 3

JBS minus 15 days or, in lay terms, there are only 15 days until ACC hosts the Jerry Butler Show.

Jerry Butler IS coming and he is bringing a show that is known from England to the West Indies, from Canada to Rocky Mount, and on April 3 there should be no doubt about his identity in Wilson. The Butler Show will be held in Wilson Gym beginning at 8:15. Tickets are now on sale for \$1.50 for students and \$2.00 for the public.

Butler's success in the pop music field began with "For Your Precious Love" which he did with The Impressions. Jerry wrote the hit which won commendation from Broadcast Music, Inc. In the fall of 1958, he left the group to become a single act. The 1962 song of the year "Moon River," from "Breakfast at Tiffany's" was made famous by the "Iceman."

Butler has written songs for such recording greats as Jackie Wilson, Count Basie, and Otis Redding. He is also a producer

and owns two publishing companies. If you have heard "Never Give You Up," "Hey, Western Union Man," or "Only the Strong Survive," then you have heard of Jerry Butler.

Remember the date, April 3 because . . . THE ICEMAN COMETH.

JERRY BUTLER

## Art Work On Display

Art work of two Atlantic Christian College faculty members, Thomas E. Marshall and Norbert W. Irvine, is featured in the current exhibition in the main gallery of Case Art. Building on the college campus.

Work by Marshall includes a number of graphic pictures integrating visual images and poetry. Irvine's work includes color oriented paintings.

Marshall is director of the graphics and commercial design program at the college.

Irvine is director of the art education at the college.

## In Memorium

A group of faculty members and students has established a Memorial Fund to honor the memory of Mary Lyde Bird, who died on March 6. Because Mary worked in and loved the library and because she was infinitely helpful to faculty and students alike, the fund will be used to purchase a special exhibits case which is badly needed in our library. The case will be inscribed with a memorial plaque.

Contributions should be given to Mr. Otis Coefield in the library. Checks should be made out to the Mary Bird Memorial Fund.

## Members Plan ZPG

JIM ABBOTT

Over twenty-five students and faculty members gathered Tuesday night for an organizational meeting to begin formulating plans to form a chapter of Zero Population Growth. Howard Martin, a junior was chosen as temporary chairman and Linda Spatig, also a junior was selected as Treasurer.

The local group plans to go ahead to take steps to secure a charter, draw up a constitution and gain recognition from the SGA.

On April 22 the group plans to participate on campus in a nationwide teach-in relating to

## Futurist Insight

By JIM ABBOTT

"If you are planning your life on the assumption that the world of ten or twenty years from now is going to closely resemble the industrial society of today, you may be making a serious mistake." This is the message that Mr. Alvin Toffler related to those in attendance at his convocation address on Tuesday. Mr. Toffler, an author and business consultant from New York was sponsored by the Campus Christian Association.

Mr. Toffler, a futurist himself, began his lecture by defining the futurists as, "those men and women who devote their time to thinking about the problems not of next year or the year after that, but of the next twenty or thirty years." He went on to say that, "Never before in the history of mankind have we

experienced such a rapid rate of change as we are at the present time. As a result of this rapid change a new type of society has been created," said Toffler. This new society is characterized first of all, by speed and impermanent relationships. Secondly, it is characterized by novelty and thirdly by the diversity found in our life styles and the options open to us.

To adapt to this new society, Toffler warned that, "We must challenge one of the great stereotypes of social thinking during the last fifty years i.e., that the future holds for us a world in which all of us will form a gray, faceless mass of organization men in which all of us have fewer and fewer options open to us, in short a skind of Orwellian future which has been
