

Intra-Murals Underway

For the third consecutive year, the Intramural season opened with Sigma Phi Epsilon

the defending champion. A meeting of all intramural managers was held Monday two

weeks ago. Track Coach Jim Corbin is faculty advisor to the group and Jerry Harris is student director. Topics discussed varied from referees to the possibility of changing the type of football used in intramurals. A proposal had been in the air to change to what is sometimes called "Carolina Tag Football," which involves less contact. The decision was to continue as in the past for at least one more year.

The first intramural sport of the year was Putt-Putt. Alpha Sigma Phi topped all organizations with a 196 while Sigma Pi took second and Sig Eps captured third. Bobby Andrews led a field of 75 putters to take individual honors.

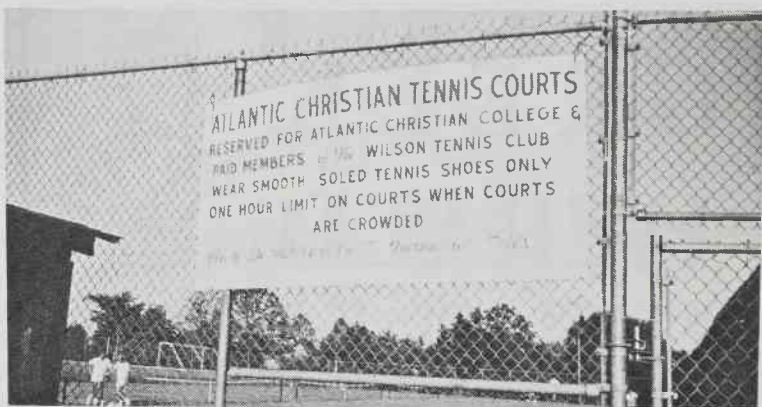

Intramural football saw limited action this week due to Rush with only independent teams pitted against each other. The week beginning Monday, Oct. 12 will see all teams back in action. All football games are played on the intramural field behind the tennis courts at 4:00 p.m. All rained-out or postponed games will be rescheduled at the end of the regular season.

On scores reported to the COLLEGIATE office, the standings are as follows:

TEAM	W	L
Waters I	2	0
Alpha Sig	2	0
Day I	1	0
Hackney II	1	0
Day II	1	1
Delta Sig	1	1
Sigma Pi	1	1
Waters II	0	2
Hackney I	0	1
Sig Eps	0	2

Practice Begins

Fall practice began last week for the '71 Golf Team, and will continue through the last week of October. The A.C. golfers are coached by Mr. Ed Cloyd. These weeks of practice will determine what men qualify for a position on the eight-man team. Coach Cloyd has four returning lettermen in Bill Corbin, Miles Deen, Joey Gilbert, and Steve Jones. About fifteen newcomers, transfers and freshmen, have seen action in practice.

As the sign says, reserved for Atlantic Christian College do not be afraid to ask for your courts.

This land is between Gold Park and the college tennis courts, an ideal spot for six new badly needed courts.

Self-Defense For Women Karate For Men

On Wednesday, Oct. 14, at 8:00 p.m. in the old gym, the PE Club will sponsor a demonstration in karate to be given by Mr. Michael Britt, a black belt holder. Following the demonstration, students will be given the opportunity to register for a course in karate for the men and a course in self-defense for women.

The women's course will last for eight weeks, meeting every Wednesday night from 7:30-9:30 p.m. The classes will be held in the old gym beginning Wednesday, Oct. 21. A small fee of \$12.00 per person will be charged to the women. Anyone interested is asked to bring the course fee at the time of the demonstration.

The men's karate course will be held at the same time as the course for women. However, the fee for the men will be slightly different. In order for the men to be eligible to earn belts, there will be an additional \$4.00 fee for the Karate Federation dues. As a member of the Federation, a man will be eligible for his first belt after three months of instruction.

Mr. Britt will continue teaching the course after the initial eight weeks if there is evidence of enough interest. The initial cost of the program is \$16.00 per person for the men. Each additional month after the first eight weeks will be \$6.00 per person.
