

Harper Scene Of Break In

By LEO C. WHALEY JR.

Wilson police were called to Harper Hall Saturday morning at 2:21 a.m. in response to a call from Miss Jessie Daniels who stated that, "approximately four or five white males had broken into Harper. When the police arrived the suspects had fled the scene. Witnesses described one subject as wearing a cowboy hat and another one as wearing shade glasses. The officers discovered they had gained entry through a basement window and then through an inner door leading to the first floor.

The subject described as wearing shade glasses was arrested on a school bus, where

he had taken refuge, in the 800 block of West Gold St. He was identified as Jeffery Lynn Weindruch from Bettendore, Iowa.

The suspect described as wearing a cowboy hat was identified as Gerald A. Smith, age 17, from Detroit, Michigan. Smith had been AWOL from Camp Lejeune Marine Base in Jacksonville, North Carolina since Labor Day.

Both Weindruch and Smith, workers at the nickel game of the Wilson County Fair, were placed in the county jail without bond privileges until a hearing could be held.

The two other suspects were identified as Hilton Harrell and

None of the girls were assaulted, but Kim Hinson's room was entered, and she gave the following account of what happened. "I had gone to bed Friday night and left my room door open and the stereo

playing. Early Saturday morning I woke up and a man was sitting at the head of my bed. We immediately began to talk, however, it took me only a few seconds to realize it was a man and not a girl as I had first thought. When he entered the room, he had locked the door. We talked about him, his job at

the fair, and what I had planned to major in. He volunteered to me how he had entered through a bathroom window in the basement, and walked up the stairs to the first floor. When asked why he chose my room, the intruder replied the door was open and the soft music caught my ear. While all this was taking place we heard the jingling of keys in the hall. He asked me what to do if someone came in? I replied that he had "better get under the bed." About that time the door opened and Miss Daniels entered. The man began apologizing for being there and asked Miss Daniels not to punish me, because it was not my fault. He then ran from the room. It was then that I realized what

had happened and became scared. After calming down, I saw that my roommate was still asleep. She had missed all the excitement, and knew nothing until the next morning. My door will not be left unlocked again!" Another girl involved, Cathy Kitchen also stated, "I slept through the whole thing."

A hearing was held Tuesday in Wilson court. Two of the men were already on probation for previous offenses. The judge revoked their probation and added an additional six months active sentence to the prior convictions. Two of the men were fined \$100 plus the cost of court. As of Tuesday night Bryant and Weindruch remained in the county jail.

Wenger Announces Committee Appointments

Appointment of a special committee to study the purposes of Atlantic Christian College has been announced by Dr. Arthur D. Wenger, president of the college. The committee was appointed upon authorization of the ACC Board of Trustees.

Those accepting appointment to the committee were John N. McDaniel and Rebecca L. Thompson, students; Eugene Purcell and Dr. J. P. Tyndall, faculty; Dr. Sarah Bain Ward and Milton L. Adams, administration; and Thomas L. Law and Ely J. Perry Jr., trustees.

Purcell, who is associate professor of philosophy at the

college, will serve as chairman of the committee.

Commenting on the appointments, Dr. Wenger said, "The representative character of the committee is strengthened in that both Greeks and Independents are represented in the student members; three are alumni of the college; five are members of the Christian Church (Disciples of Christ); and two are ordained clergymen."

McDaniel is a senior from Florence, S. C., majoring in psychology. Miss Thompson is a senior sociology major from Portsmouth, Va. Both are ACC students who have achieved high

academic honors.

Purcell has been a member of the college faculty since 1957, while Tyndall joined the faculty of the college in 1949. He is professor of science and serves as chairman of the ACC Department of Science.

Dr. Ward currently serves as dean of women and joined the college staff in 1944, while Adams serves as business manager, a position he has held since 1950.

Law is an ordained clergyman and is pastor of St. Paul's

Christian Church in Raleigh. He has served as a member of the ACC Board of Trustees since 1970. Perry heads the Perry — Burton Realty Co., in Kinston and has been a member of the board since 1969.

The committee will report its findings to President Wenger upon completion of its assignment. Any proposal coming from the committee will be reviewed by the faculty and presented to the board at its May, 1973 meeting.

"Changes which have

occurred in higher education and in society in general since the adoption of our current statement of purposes make it mandatory that we carefully examine this statement to assure its continuing fidelity to our Charter on the one hand and its relevance to recent developments in higher education on the other," Dr. Wenger said. "Day-to-day decisions need constantly to be seen in the light of their relationship to such a carefully drawn statement of purpose."

SGA To Discuss Hours

By WALT TYLER

On Tuesday night, October 3, in Hines 110 the SGA Executive Board met. The meeting was opened with a prayer and with the minutes being approved.

Mr. Pridgen explained to the Board the condition that the budget books were in when he got them and what he did to bring the books up to date. There was some lengthy discussion concerning the budget books.

It was announced that the Entertainment Committee would consist of: Robert Thomas, Micheal Finch, Steve Harrell, Mary Ann Conner, Pam Costable, Keat Hamm, Vernon Temple, Ann Collier, Vance Daniels, Bert May, Mr. Purcell, Mr. Dunn and Mr. Irwine.

The Entertainment Committee requested that the SGA help them pay half their expenses to the convention in Atlanta. The Exec. Board deferred the matter until later.

In the area of new business, Barry Morgan entered the motion that there be more stringent controls on the SGA Treasurer. After much discussion Morgan's motion was withdrawn and Tom Kawana moved that the Treasurer, the Budget Committee, and Mr. Pridgen draw up more effective guide lines for operation of the Treasurer's Office. The motion was carried and voted on.

There was then a motion that the Vice-President have the

same grade point average that applies to the President of any organization represented on the Exec. Board. The motion is a constitutional amendment, and will have to be voted on by the student body.

Barry Morgan also moved that no one could hold two executive offices in the school. The motion was seconded and carried.

It was stated that some of the

women students wanted women's dorm hours changed and the executive board should consider this at the next meeting. The recommendation will then be presented to the Board of Trustees. There will also be a discussion next meeting of the length of the library hours. All interested students are urged to attend the next SGA meeting on Oct. 17th.
