## SGA Report

By MARY J. McDOWELL

Budget requests dominated last Tuesday's SGA meeting, but the birthday cake at the end of the meeting for Dean Whitehurst stole the show! After the call to order, prayer, and approval of the minutes, three committees gave their reports. According to the Entertainment Committee, there will be a concert featuring Cowboy and Poco on October 25. The committee is thinking about wiring the gym permanently for concerts because it would be cheaper. The Campus Awareness Committee has been working on three projects. They are: 1. A student question and answer period with President Wenger and the Trustees. 2. Better communications between organizations so they do not meet at the same time. 3. Writing letters to well known lecturers to come to ACC. Ending up the committee reports, the Library Committee reported that a reference librarian would be needed for the new library.

The first topic of business was an AC radio Station. It was reported to the SGA that it would

take 6-8 months to get on the air so productions, financing, See SGA Page 4
