Eiseley On Campus Oct. 10

ternationally-known poet, anthropologist and distinguished writer, will read his poetry in Howard Chapel, on the campus of Atlantic Christian College, on Oct. 10, at 8 p.m. His appearance is sponsored by the ACC Department of English.

He is the Benjamin Franklin Professor of Anthropology and the History of Science at the University of Pennsylvania. He is also curator of "Early Man" at the University Museum.

Dr. Eiseley maintains a dual interest in science and humanistic studies and has written extensively in both the literary and scientific fields. His scholarly and literary essays have appeared in numerous periodicals of national circulation and professional journals, and he is represented in many anthologies of modern English literature.

"Darwin's Century," an historical study by Professor Eiseley, received the national Phi Beta Kappa science prize for 1959 and the Literary Award of the Athenaeum Society of Philadelphia. "The Night Country," also received the Athenaeum Award for 1972. The John Burroughs Medal, given annually for the best publication in the field of nature writing, was awarded in 1961 for his book "The Firmament of Time," which also received the 1961 Lecomte du Nouv Award

Dr. Eiseley received the 1972 award in literature at the

Psychology Club

The Psychology Club met this past Tuesday and elected the following as officers for 1974-75: Pres. Mary Rose Crouse; Vice Pres. Tony Beaman; Sec. Paula Brigman; Treas. Kathyrn Crooke. Program Committee members are: Randy Bridges, Ron Smith, and David Garfield. Publicity members are: Allan Stallings, Nancy Watkins, and Tony Beaman.

The club will sponsor a booth at the Pi Gamma Mu Halloween Carnival on campus October 29.

The next meeting will be Thursday, October 17 at 11:00 A.M., Room 110 Hines Hall. Any interested student or faculty member is welcome to attend.

Philadelphia Arts Festival, as well as the Philadelphia Art Alliance Award in 1967 for distinguished achievement in literature

Other works by Dr. Eiseley include the widely known "The Immense Journey, "The Invisible Pyramid," "The Mind as Nature," "The Man Who Saw Through Time," "Notes of an Alchmist," and "The Innocent Assassins." His book, "The Unexpected Universe," was chosen by the Book Council of American Library Association as one of the Notable Books for 1969 and was one of the books nominated for the 1969 National Book awards. Dr. Eiseley served as host for the 1966-68 award-winning edu-cational television series "Animal Secrets" presented by NBC.

A native of the state of Nebraska, he received the B. A. degree from the University of Nebraska and the M. A. and Ph .-D. degrees from the University of Pennsylvania. From 1947 to 1959 he was chairman of the department of anthropology, and later served as provist of the University of Pennsylvania.

Dr. Eiseley taught at the University of Kansas (1937-1944) and Oberlin College (1944-47).

Less than two weeks remain for prospective teachers who plan to take the National Examinations at Teacher Christian College Atlantic (Hardy Alumni Hall) on Nov. 9, 1974 to submit their registrations for these tests to Educational Testing Service, Princeton, New Jersey, Zeb M. Whitehurst, III, Dean of Students, announced today. Registrations for the examinations must be forwarded so as to reach the Princeton Office not later than Oct. 17, Whitehurst advised.

Bulletins of Information describing registration procedures and containing Registration Forms may be obtained from Dean Whitehurst at Atlantic Christian College or directly from the National Teacher Examinations, Educational Testing Service, Box 911, Princeton, New Jersey

At the one-day test session a See NTE Page 3

He is in wide demand as a lecturer over the United States and has served as visiting professor at a number of universities, including Harvard, Columbia, and the University of California. He is the recipient of over 30 honorary degrees.

Dr. Eiseley is a Fellow of the American Association for the Advancement of Science and served as a vice president of the association, as well as chairman of the section of the History and Philosophy of Science for 1969.

He is also a Fellow of the See EISELEY Page 3

ACC Landscape

By Ann Dixon

The attractiveness of the A.C.C. college campus, is often taken for granted as we come into daily contact with it. The Landscaping Committee of A.C.C. is responsible for initiating ideas of campus beautification and putting plans into action. This year's Landscaping Committee consists of Mr. DouglS Graham, Dr. Robert Capps, Dr. Robert Parker, Mr. Ed Brown, Mr. Milton Adams, and Mr. Lee Moore. Replacing last year's chairman, Mr. Brown, is Mr. Graham. As chairman, Mr. Graham has voiced committee consideration of three projects for this year. These projects were voted on by last year's Committee. They deal with beautifucation in three areas on campus. First, is the problem in front of Howard Chapel where, it seems, students have been dissatisfied with the existing sidewalks. The barren path of ground made by the student shortcut across the grass area would be covered with an additional sidewalk. The other two projects deal with the barren area flanking the street side of Hilley Women's Dorm and the area in front of Hardy Alumni Hall. These projects would seek to beautify and soften the harhness of the buildings and to remedy the problem of dirt paths and mud holes by planting trees and plants and by concreting certaing areas. The plants, furnished from our own campus sources, would cut the cost of the projects considerably. Landscaping with walks, planters and benches may also fit into this scheme of design

The Landscape Committee will hopefully see each of these projects through completion in the future. The Committee must stay within an established money budget, however, and could be forced to choose from

Lamb Works Performed

Marvin Lamb, compositionbrass instructor in the Atlantic Christian College Department of Music, has been notified that two of his most recently completed works will be performed in Alberta, Canada and at Northwestern University during October and November.

"Linguistics," for brass trombone and prepared tape will be premiered in October by Phillip Brink, professor of trombone at the University of Calgary, Alberta, Canada. "Serenade for Unknown 'Serenade for Friends," a work for clarinet, obbe, tenor saxophone and piano, will be performed by the Northwestern University New Music Ensemble, with M William Karlins conducting, on their Nov. 11 program. The program will initate the ensemble's 1974-75 New Music Series

"Linguistics," was commissioned by Prof. Brink in 1973 when he and Lamb were classmates at the University of Illinois. The work was completed this summer at the East Carolina University Electronic Music Center.

'Serenade for Unknown Friends," was commissioned by James Houlik for his national touring chamber ensemble, "James Houlik and Friends."

Movie Time

On Friday October 4, "The Good Guys and the Bad Guys' will be featured in Hardy Alumni Hall. The movie stars Robert Mitchum, George Kennedy, Balsam, Martin Carradine, John Carradine, Lois Nettleton, Tina Louise, and Marie Windsor.

This 90 minute color feature is a Western spoof in which Robert Mitchum portrays an aging sheriff in Progress, New Mexico at the turn of the century. The town officials have agreed to dispose of the sheriff because the long dreaded bandits are now dead. However, the sheriff plans to prove his value to his town, Progress.

As one reviewer said, "If you laughed at "Cat Ballou", you'll howl at this side-splitting Western spoof." Be sure and come for a time of side-splitting laughter?

Nina Jones

Presidents Conference

"Tom Jones"

Is Coming

Oct. 17

By NINA JONES

On September 29, the fourth annual Presidents' Conference of Circle K International was held at NCSU in Raleigh. Approximately 100 representatives attended this conference. AC was represented by Tim Corbett, President; Nina Jones, Vice President; Mike Hickman, Treasurer and two club members, Mary Ellen Beasley and Dale Adams.

There were three conferences held at NCSU's student center. Each conference consisted of four workshops. The first conference had workshops for the presidents and vice presidents, secretaries and treasurers, club members, and the faculty advisors, Kiwanis, and Kiwanians. The main purpose of this conference was to revise the Circle K desk manuel and to discuss what each member, whether officer or community representative, can contribute to the

The second conference consisted of workshops for student concerns, public relations, membership development and education, and K-family relations. This conference served to re-emphasize Circle K as a vital force of communityoriented students that are dedicated to the goals of service to humanity. Advice concerning publicity, and approaches to meeting the concerns of students were presented to each representative.

The third conference further presented ways to approach both the concerns of students and the community. The workshops evolved around environmental concerns, health concerns, concern for dependent and neglected persons and correctional institutional concerns. This conference proved to be an enlightening experience in that many project ideas were discussed.

The conferences were followed by divisional meetings and a closing session at 3:30 everyone began their trip home carrying with them new ideas and enthusiasm to carry them out.

Short Subjects

On Tuesday, October 8, between 6:00 and 7:00 p.m., the Campus Christian Association will present a Sing and Fellowship. It will be presented in front of Hines Hall and the Music will be provided by the Foundations Quartet.

CIRCLE K

There will be a meeting of all those participating in the dance marathon on Monday night at 6:00 in Hines III.
