The Collegiate Survey

The Collegiate has now been printing every week for the last half-semester. We want to know just what you think about the paper up to this point. Are you generally satisfied? Is it good only as lining for your bird cage?

Without the advice of the student body, we cannot print what the student body wants to hear. So, here is the chance for the student body to say what you want to read. Fill out this survey and deposit it in the Want Ads box in the lobby of the Student Center by the 30th of November. Results of the survey will be published in Dec.
