Dr. Tucker relinquishes duties as 'Banner' adviser

by Deborah Tillman

After five years of dedicated service to the "Bennett Banner" as adviser, Dr. Virginia Tucker has decided to relinquish her duties to Michael Gaspeny, instructor in the Department of Communications.

As adviser, Dr. Tucker was involved in every aspect from copy-reading stories to proofing the laid-out copy. She often took responsibilities that were not hers such as writing news stories, billing for advertisements and writing headlines.

On Recognition Day, Dr. Tucker was presented with a silver ink pen and flowers as a token of the staff's sincere appreciation of her service. In summarizing her association with the "Banner" Dr. Tucker stated, "It has been one of the most rewarding experiences of my life. I have enjoyed working with the succession of fine editors. I will truly miss it."

Since she has worked with the "Banner," the editors were Cheryl Johnson '74-'76, Diane Stevens '76-'77, Joyce Bass '77-'78, and present ed-

itor, Deborah Tillman '78-'79. "Dr. Tucker is truly an asset to the school paper. She performed above and beyond the call of duty. The staff will

really be deprived of a great adviser but I am certain that Mr. Gaspeny will also be an asset to the paper," stated Editor Deborah Tillman.

Dr. Virginia Tucker will be sadly missed by the Bennett Banner Staff next year. Mr. Michael Gaspeny will replace her as adviser.
