L. H. C. Club of Winston

Miss Kelly Speaks

The members of the L. H. C. Club and the baseball team were guests of Misses Linda Fishel, Betty Gentry, Margaret Coe and Lillian Myers at an oyster stew at Washington Park, Monday night, September 9th. Fifty-four members and friends enjoyed the hospitality of the hostesses.

Following the supper the group met in the pavilion where Miss Lorene Kelly, former Girls' Work Secretary of Centenary church, spoke to the group. Miss Kelly has been engaged in different forms of home missionary work since leaving Winston-Salem. She has been appointed by the Mission Board as a Missionary to Africa, and will sail soon for her new work. She made a most interesting talk on her work. This was enjoyed very much, due to the fact that she made us feel that we had been all the way to Africa and back. As she goes to Africa she has many friends both in the Winston and Elkin clubs who will be interested in her welfare. It will be remembered that she was instrumental in organizing the first L. H. C. Club.

At the close of the program, a beautiful air-cell blanket and two sheets and pillow cases were given her as a parting gift.

Following the program games and contests were enjoyed.

Group On Camping Trip

Fifteen members of the Club spent the week-end of September 14th at Roaring Gap on a week-end camping trip.

L. H. C. Club No. 1

The L. H. C. Club met at the club house for a business meeting Thursday night, September 12th, with a goodly number present. Following discussion of plans for the winter months, a most enjoyable program was given. Miss Mary Etta Laffoon had charge of the devotionals. Following which the story of the "Life of Dorothy Dix", was given by Miss Austin. A round table discussion was held on the problems the young people are facing today. This proved to be most interesting. The meeting came to a close with a duet by the Martin sisters.

L. H. C. Club No. 2

Mrs. Florence Martin, Reba Day and Stella Bauguess were joint hostesses to the members of the Club at a luncheon given at Abernethy's Drug Store Thursday at one o'clock. A delicious three-course luncheon was enjoyed by the members present. During the

business session which followed it was announced that Miss Austin would be hostess to the Club on September 26th. At this time she will take the members to Winston to go through the Mill. The club was happy to have Mrs. Bessie Gilliam present after several weeks' illness.

Aids the Undertaker

The undertaker has always had a lot of assistants who have helped to boom his business. Among those most easily recalled are these:

The man who rocked the boat.
 The boy who didn't know his father's pistol was loaded.

The man who stayed in a closed garage with his auto running.

The man who used wood alcohol for his cocktail.

The man who honestly believed he could beat the train to the crossing.
