MEMBERS HAVE EXCELLENT TRIP

Several Members of Lucy Hanes Chatham Club Visit Richmond Over Week-End

The week-end of September 18th proved to be a very exciting week-end for several members of the Lucy Hanes Chatham Club No. 1. Misses Beatrice Burcham, Dessie Reeves, Pauline Morrison, Mrs. Hugh Brannon accompanied by Miss Claudia Austin visited places of interest in the City of Richmond, Virginia. The trip was made by way of a Greyhound Bus. Saturday morning a sight-seeing tour was taken which took the group to all the historic places

in the city, including the Capitol grounds and buildings, the Valentine Museum, Richmond Medical College, St. John's Church, Stadium, Confederate Museum, Edgar Allen Poe's shrine, Hollywood cemetery, (where two presidents are buried), and the residential section. The afternoon was spent visiting the leading stores, including Miller & Rhoads and other large stores. A visit to the State Library and the Governor's mansion proved to be the most interesting. During the visit to the Governor's Mansion, the Governor came out and introduced himself to the party. Governor Peery is a very jovial person and extended the hospitality of Virginia to the group in a very gracious manner.

Sunday was spent visiting the

city's many beautiful parks. The return trip to Elkin was made on a stream-lined bus with two stops, one in Danville, Va., and one in Greensboro, N. C.
