# ECUSTA BASEBALL TEAM

THE ECHO

### **BASEBALL TEAM**

of the leaders of the Industrial Baseball League.

Saturday, July 5th. will bring the League Leading Enka team to Ecusta. "Coke" Candler and his boys come to our backyard with a victory strong of 9 wins and 2 loses. There is no doubt that Enka has a much improved club, and for Ecusta to win it will require more determination from our boys than we were able to muster in our game with Beacon last Saturday.

The setting is perfect for a swell ball game, providing that "Old Sol" comes through with a big smile. This is the second opportunity that baseball fans have had to witness the strong Enka nine and the second place Ecusta team swaps blows. It would be no surprise if there is a record crowd on hand.

# **DEPARTMENTS TEAMS** ORGANIZE LEAGUE

After a brief meeting of the department managers Wednesday morning, several wrinkles were ironed out to the satisfaction of everyone present. Numerous suggestions and questions were boiled down and from this discussion the bylaws of Inter - department baseball were set up. It was agreed upon that all varsity baseball players be made ineligible for inter - department competition. All games to be played on Monday, Tuesday, and Wednesday. Each scheduled game will be put on challenge basis. No team shall challenge the same team twice until all other departments have been challenged. Each game will be a seven inning affair and official game time is 5:20 P. M. The two teams winning the most games during the regular season will have a playoff series for the mill championship. Regular season started Wednesday, June 18th, and will end September 3rd. Each challenge must be recorded in the Athletic Office. All scores and standing can be followed with a glance at the large score board in the athletic office Providing that Inter-depart-

ment baseball does not reach all interested employees, shift league will be organized

as quickly as the demand arises.
