WOMEN'S RECREATION SURVEY

Out of approximately 400 interest surveys distributed to the women throughout the plant, about one-half of this number were returned to the recreation office for tabulation. The survey summary is interesting and conclusive evidence that the women of Ecusta are recreational minded and these 195 reports shall form an excellent basis for our organization of activities in the months to follow. The Recreation Department is a service department! Your suggestions and continued cooperation are assurance of its value to you.

R. F. BENNETT ELECTED SAFETY COUNCIL CHMN.

On the evening of September 9, Ecusta Paper Corporation was acting host to the Western North Carolina Safety Council. The meeting was held in our new cafeteria and, just as an aside, I might say that many of us, for the first time, were made mindful that this building has many possibilities of serving us Ecustans in the future with other than meat and drink.

Mr. Keith Pooser turned the meeting over to Chairman, Mr. R. A. Shaw of Sayles Biltmore Bleacheries, who opened the business meeting. Secretary Robert McFarlane called the roll which was followed by announcement of the winners of the June and July safety trophies. Mr. Arthur Thompson of the Ciba Company, brought his bag of tricks from Charlotte and did a fine job of entertaining in the role of "amateur magician", as he so modestly proclaimed himself. Me thinks a guy who can pull cards out of an egg deserves all honor due a pro.

"Safety In General" was the title of Mr. Fred Magnant's talk which was delivered with all the vim and veracity of a man whose convictions lie deep-rooted. We are grateful to him for a solemn reminder that life is a precious and irreparable thing, the preservation of which takes individual care and watchfulness in this age of humming motors and grinding gears. He gave us a brief history of the growing concern for safety measures in industry, tracing it from the day when injury and loss of life meant simply replacing another victim. We were reminded of our good fortune in having a part in a new industrial world which has, through bitter experience,

NO SUCH OBLIGATION

Did you ever wonder if the bank is under any legal obligation to change your \$20 bill? If you think they are, get it out of your system, for they are not under any such obligation.

A careful study of the banking acts disclose that the Federal Reserve Banks are the only ones that are specifically required to provide change, so don't get huffy if your bank refuses you change and accept it as an accommodation when they do.

Miss Justine Williams, Women's Recreation Director, will act in the capacity of librarian and will be on hand from 8:45 A. M., until 5:00 P. M., to issue books. The books will be loaned for a period of one week. However, if the reader requires more time, books may be renewed for an additional week. We have in our files a request list so in the event that you do not find your reading interests on our shelves we should appreciate your suggestions for future book orders. Mr. A. J. Loeb, better known to Ecustans as "Art" Loeb, recently returned to Brevard. Mr. Loeb is Vice Pres. of the California Central Fibre Corporation and has been located at El Centro, Calif., for the past year. On Nov. 12, Mr. Loeb was married to the former Miss Kathleen Vachreau of Wausau, Wis. The ceremony took place in Chicago and their honeymoon was spent in Florida. We extend our very best wishes to the bride and groom and hope that their stay here will be an extended one.
