Final Series

Champagne and Pulp Mill started the final series on Tuesday, September 8th, and Pulp Mill was defeated by the score of 4 to 3 in one of the

best ball games seen this season: Loose fielding plays were responsible for runs on each side and had it not been for the stellar mound work of the opposing pitchers, the score of both teams would have been larger.

The second game of the finals was played on Sunday, September 13th, and Pulp Mill routed Champagne by the score of 20 to 1. Although the score was somewhat one-sided, there were several spectacular plays made during the game and there were approximately 500 fans in attendance.

We are all proud of Johnnie Jackson who, after receiving a badly sprained ankle in the early part of our game with the Refining-room, pitched a fine ball game . . . We are glad to hear that Carl Caldwell's wife is having a speedy
