

Complete Set Of Encyclopedia Now In Our Library

24 VOLUMES OF BRITANNICA ON SHELVES FOR USE

Works Kept Up To Date By Year-Book Issued Between Printings.

A set of the new Encyclopedia Britannica—24 volumes—has been shelved in the Ecusta library in the last few days, and all employees are invited to take advantage of this most complete compendium of knowledge. It is a quick and easy way of locating complete and accurate information.

You may receive a large degree of self-education by using this set, a standard for reference, enlightenment, and information. It is a vast repository, containing authoritative information gathered by experts in every realm of human inquiry and research.

Here you will find the answer to the thousand and one questions that the morning papers, lectures, sermons and books bring to every active mind. It will be your guide to the history and literature of every country and every race in the world.

Some of the subjects covered in this encyclopedia are: transportation, business and industry, natural resources, manufacturing, art, literature, biography, history, government, philosophy, psychology, medicine, astronomy, chemistry, physics, engineering, communications, sports and travel.

As an aid to your children in their studies and general education, this set may prove invaluable to you.

Not To Be Removed

Of course, due to the value of this set of reference work, these volumes may not be removed from the library. But you will find a very pleasant reading room, in which to consult them at your leisure.

Continuously Revised

Included in this purchase was THE BRITANNICA BOOK OF THE YEAR, which is the Encyclopedia's answer to the problem of keeping up to date between printings. It bridges the gap between printings, and in so doing, presents an authoritative review of the march of events. Its various articles are focused on the happenings of the last year.

Well-Illustrated And Indexed

This year-book, as well as the 24 volume set of encyclopedia, is profusely illustrated and well-indexed. Many of the illustrations are full-color plates, and the index is complete enough to guide you to the answer to every little question.

PVT. POOR IN TRAINING

Pvt. Miriam Poor is now a student of the Medical Dept. Enlisted Technicians' school, Wakeman General and Convalescent hospital, Camp Atterbury, Ind. Upon graduation, after 3 months' training, she will be assigned to an Army hospital as a medical technician. Pvt. Poor was employed as a bleach helper at Ecusta. Aug. 8, '44 she enlisted in the WAC.

First Spinster: Is it true that you're going to be married?
Second Spinster: "No, but I'm thankful for the rumor."
